

LIST OF Ph. Ds AWARDED

S. No	Name of the PhD scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration	Year of award
1.	A. Naga Vamsi Krishna	Biochemistry	Dr. B. Venkata Raman	Isolation & Characterization of anti-Diabetic active Principale(s) from Phragmites vallatoria	2008	2014
2.	A. Samuel (0903PH0236, JNTUH, Hyderabad)	Biotechnology	Dr. B. Venkata Raman	Screening, isolation and characterization of antibacterial compound(s) from folk medicinal plants of north coastal Andhra Pradesh	2009	2016
3.	M. Reddy Babu	School of Advanced Sciences	Dr. Mohan Babu	Optical Absorption and Luminescence Studies of Ions Doped Lead Borosilicate and Phosphate Glasses for Photonic Applications	2013	2017
4.	C. S. Felice (0903PH0250, JNTUH, Hyderabad)	Biotechnology	Dr. B. Venkata Raman	Molecular charaterization of plant deglycosylation Enzyme	2009	2017
5.	Vinneela Malae	Electronics and Communication Engineering	Dr. G. Chenchu Krishniah	Near Field Communication in Financial Sector	2014	2018
6.	B. Narasimha Rao	Biotechnology	Dr. B. Venkata Raman	Anti-Diabetic Activities with their other Ethno Medical Properties of the Plants	2014	2018
7.	N. Jaidass	School of Advanced Sciences	Dr. Mohan Babu	Luminescence properties of Dy ³⁺ doped lithium zinc borosilicate glasses for photonic applications	2014	2018
8.	P. Shainaz Sulthane Begum	School of Computing	Dr. K. G.S Venkatesan	Clinical document Architecture for exchange EHR between different Hospitals with cloud computing	2013	2018
9.	T. Venkata Sridhara	Electronics and Communication Engineering	Dr. G. Chenchu Krishniah	An Ultra-Low Power Flexible Multi Core Architecture VLSI Design with Low Power and Area Efficient Network OnChip	2015	2019
10.	Nazir Shaik	School of Computing	Dr. K. G.S Venkatesan	An Analytical Implementation of Securing cloud data in encryption form mechanism	2015	2019
