7th MEETING OF THE ACADEMIC COUNCIL OF THE COLLEGE

Date: 06-08-2018

Time: 01:00 P.M.

Venue : Principal Chamber, ASCET, Gudur.

The 7th meeting of Academic Council of Audisankara College of Engineering & Technology was held on 06-08-2018 at 01:00 PM in the Principal Chamber of the College and the following resolutions are passed after careful consideration to approve the recommendations made by the ACC as applicable w.e.f. 2018-19.

Prof.K.Dhanunjaya, Principal i/c & the Chairman of ACC presided over the meeting.

AGENDA:

1. Ratification of Board of Studies members
2. Review of the minutes of previous meeting
3. SWOC and Gap Analysis of R16 Regulations
4. Review and Approval of B.Tech Academic Rules and Regulations of R18 Regulations
5. Review and Approval of M.Tech Academic Rules and Regulations of R18 Regulations
6. Review and Approval of MBA Academic Rules and Regulations of R18 Regulations
7. Review and Approval of MCA Academic Rules and Regulations of R18 Regulations
8. Review and Approval of the Course titles and content of all UG programmes under R18 Regulations
9. Review and Approval of the Course titles and content of all PG (M.Tech) programmes under R18 Regulations
10. Review and Approval of the Course titles and content of MBA programme under R18 Regulations
11. Review and Approval of the Course titles and content of MCA programme under R18 Regulations
12. Review and Approval of the Syllabus for III B.Tech (CE, EEE, ME, ECE & CSE) 5th and 6th Semesters for R16 Regulations
13. Review and Approval of the Syllabus for IV B.Tech (CE, EEE, ME, ECE & CSE) 7th and 8th Semesters for R16 Regulations
14. Any other item

Detailed schedule of the meeting

| S.No | Date | Time | Venue |
|------|--|----------------------|--------------------------|
| 1 | 6 th August, 2018 (Monday) | 01:00 PM to 06:00 PM | Principal Chamber, ASCET |

Members Present:

| S.No | Name | Designation | Affiliation |
|------|-----------------------------|-------------------|--|
| 1 | Prof.K.Dhanunjaya | Chairman | Principal, ASCET, Gudur |
| 2 | Prof.T.Venu Madhav | Member | Head, Dept, of Civil Engg., ASCET, Gudur |
| 3 | Prof.P.V.V.S.Srinivas | Member | Head, Dept, of CSE Engg., ASCET, Gudur |
| 4 | Prof.J.Suresh | Member | Head, Dept, of EEE Engg., ASCET, Gudur |
| 5 | Prof.K.Dhanumjaya | Member | Head, Dept, of ECE Engg., ASCET, Gudur |
| 6 | Prof. M. Vamsi krishna | Member | Head, Dept, of ME Engg., ASCET, Gudur |
| 7 | Prof.M.Rajaiah | Member | Head, Dept, of H&S Engg., ASCET, Gudur |
| 8 | Prof.G.Suresh Kumar | Member | CoE & Professor in ME ASCET, Gudur |
| 9 | Prof. A.M.Mahaboob Basha | Member | Head, Dept, of MBA Engg., ASCET, Gudur |
| 10 | Prof.V.Chandra Sekhar | Member | Head, Dept, of MCA Engg., ASCET, Gudur |
| 11 | Dr.A.Immanuel | Member | Associate Prof, Dept. of EEE, ASCET, Gudur |
| 12 | Dr.Ch.Madhuramma | Member | Associate Prof, Dept. of CE, ASCET, Gudur |
| 13 | Mr.J.Amarendra | Member | Associate Prof, Dept. of ECE, ASCET, Gudur |
| 14 | Prof.M.Vijaya Kumar | Ex-Officio Member | Director, Academics and Planning, JNTUA Ananthapuram |

| | | | |
|----|------------------------------|-------------------|---|
| 15 | Prof.S.V.Satyanarayana | Ex-Officio Member | Director of Evaluation JNTUA Ananthapuram |
| 16 | Prof V.Sankar | Member | Professor in EEE Department, JNTUA, Ananthapuramu |
| 17 | Dr.S.V.Ramana | Member | Principal, Vasavi Engineering College |
| 18 | Dr.K.Ramji | Member | Professor, Department of ME, AUCE, Vizag |
| 19 | Sr.B.V.Subba Rao | Member | General Manager, SDSC SHAAR Sriharikota |
| 20 | Sri. P.Vijaya Kumar Reddy | Member | Advocate, Nellore |
| 21 | Sri.N.Sudarshan Reddy | Member | Senior GM, Nelcast, Gudur |
| 22 | Mr. K. Srinivasa rao | Member | Executive Engineer, Nodal, S.I division Nellore Andhra Pradesh |
| 23 | Dr.Madhava Rao Kodali | Member Secretary | Professor, EEE, ASCET, Gudur |

Dr.M.R.Kodali – Member Secretary – ACC welcomed the Chairman and members of the Academic Council of the College to permit to start the proceedings of the meeting.

The Chairman has also cordially welcomed the members of Academic Council and sought the whole hearted support of the members for the healthy growth of the college.

MINUTES:

ITEM-I

Ratification of Board of Studies Members

Resolution No :1/ACC-7

Members reviewed and unanimously approved the Board of Studies members of following boards is constituted with the following members for a period of three years with effective from the academic year 2018-19

Department of Civil Engineering:

| S.No | Name of the Member | Designation | Role of the BoS |
|--------------------------------|-----------------------------|--|-----------------|
| 1 | Mr.T.Venumadhav | Associate Professor & HOD | Chairman |
| Department Faculty | | | |
| 2 | Dr.CH.Madhuramma | Professor | Member |
| 3 | Mr.G.Venkata Siva Sai Kumar | Assistant Professor | Member |
| 4 | Mr.Y.Sreekanth | Assistant Professor | Member |
| Subject Experts | | | |
| 5 | Prof.G.Appa Rao | Prof in Civil Engg. Dept., IIT Madras. Chennai-600036. T.N | Member |
| 6 | Dr.I.V.Ramana Reddy | Professor-CE, SV University, Tirupati. | Member |
| 7 | Dr.Amarendra Kumar Sandra | Associate Professor, IIT, Pulivendula | Member |
| University Nominee | | | |
| 8 | Dr. H.Sudarshan Rao | Professor-CE, JNTUA College of Engineering, Ananthapur | Member |
| Industry Representative | | | |
| 9 | Mr.K.Srinivasa Rao | Deputy SE, Irrigation Circle, Nellore, AP | Member |
| Alumni | | | |
| 10 | Ms.N.Sowmya | AEE, Irrigation Department Naidupeta | Member |

Department of Electrical & Electronics Engineering:

| S.No | Name | Designation | Role in BOS |
|---------------------------|-------------------------|--|-------------|
| 1 | Prof. J. Suresh | Professor & HOD | Chairman |
| Subject Experts | | | |
| 2 | Dr. K. Siva Kumar | Professor | Member |
| 3 | Dr. D M Vinod Kumar | Professor | Member |
| 4 | Dr. G V Marutheswar | Professor | Member |
| University Nominee | | | |
| 5 | Dr. M. Vijay Kumar | Professor, Dept. of EEE, JNTUA College of Engineering, Anantapur JNTUA | Member |
| Department faculty | | | |
| 6 | Dr.M.R.Kodali | Professor | Member |
| 7 | Dr.A.Immanuel | Associate Professor | Member |
| 8 | Mr. S.Dayanand | Associate Professor | Member |
| 9 | Mr. K. C. Rama Krishnan | Associate Professor | Member |
| 10 | Mr. G. Rathnaiah | Assistant Professor | Member |
| 11 | Mr.G. Subba reddy | Assistant Professor | Member |
| Industry Expert | | | |
| 12 | Dr. K. Srinivas | Divisional Engineer | Member |
| Alumni | | | |
| 13 | Ch. Dwarakanath | Senior Engineer | Member |

Department of Mechanical Engineering:

| S.No | Name | Designation | Role of BOS |
|---------------------------------|---------------------------|---|-------------|
| 1 | Dr .M.Vamsi Krishna | Associate professor | Chairman |
| Subject Experts | | | |
| 2 | Dr.A.Venu Gopal | Professor Dept.of Mechanical Engineering National Institute of technology Technology, Warangal | Member |
| 3 | Prof. G. Padmanabhan | Principal Sree Venkateswara University of College of Engineering Tirupati | Member |
| University Nominee | | | |
| 4 | Dr. K. Hema Chandra Reddy | Professor Dept.of Mechanical Engineering, JNTU-Ananthapuram | Member |
| Department Faculty | | | |
| 5 | Mr.G.Suresh Kumar | Associate professor | Member |
| 6 | Mr. K.Abraham | Associate professor | Member |
| 7 | Mr. B.L.Rama Naryana | Associate professor | Member |
| 8 | Mr. K.Ramesh | Assistant professor | Member |
| 9 | Mr. G.Siva Kumar | Assistant professor | Member |
| 10 | Mr. K.Bala Pratap | Assistant professor | Member |
| Industry Expert | | | |
| 11 | Mr. N.Sudharshan reddy | General Manager-Plant Head NELCAST, Nellore | Member |
| Alumni of the Department | | | |
| 12 | Mr. D.Vamsi | Infosys Trainee Engineering, Mysore | Member |

Department of Electronics & Communication Engineering:

| S.No | Name | Designation | Role of BOS |
|---------------------------------|---------------------------|---------------------------------|-------------|
| 1 | Prof. K.Dhanumjaya | HOD ECE | Chairman |
| Subject Experts | | | |
| 2 | Dr. M.Rama Subbareddy | Professor, IITM | Member |
| 3 | Dr.NVSN Sarma | Professor, NITW | Member |
| 4 | Dr. G.Srinivasulu | Professor, SVUCE | Member |
| University Nominee | | | |
| 4 | Dr.V.Sumalatha | Professor, JNTUA | Member |
| Department Faculty | | | |
| 5 | Mr. P.Sreenivasulu | Associate Professor | Member |
| 6 | Mr. J.Amarendra | Associate Professor | Member |
| 7 | Mrs. M.Kezia Aruna Jyothi | Associate Professor | Member |
| 8 | Mrs. P.Sarvani | Associate Professor | Member |
| 9 | Mrs. V.Bharani | Associate Professor | Member |
| 10 | Mr. S.Surendra Babu | Associate Professor | Member |
| Industry Expert | | | |
| 11 | Sri B.V.Subbarao | GM,SDSC-SHAR | Member |
| Alumni of the Department | | | |
| 12 | Ms. MD.Unnisa Begum | Analog Engineer, NI,Banglore | Member |

Department of Computer Science & Engineering:

| S.No | Name | Designation | Role of BOS |
|---------------------------------|-------------------------|---|-------------|
| 1 | Mr.P.V.V.S.Srinivas | Assoc.Prof, Incharge HOD-CSE | Chairman |
| Subject Experts | | | |
| 2 | Dr.R.B.V.Subramanyam | Professor,NIT, Warangal | Member |
| 3 | Dr.CHDV.Subba Rao | Professor,SVU,Tirupathi | Member |
| University Nominee | | | |
| 4 | Dr.P.Chenna Reddy | Professor,Dept.Of.CSE,JNTUA | Member |
| Department Faculty | | | |
| 5 | Mr.V.Sreenatha Sarma | Asst.Professor | Member |
| 6 | Mrs.Saritha Dasari | Asst.Professor | Member |
| 7 | Mr.D.Arun Prasad | Asst.Professor | Member |
| 8 | Mr. D.Nagaraju | Asst.Professor | Member |
| 9 | Mrs.N.Lakshmi Chaitanya | Asst.Professor | Member |
| 10 | Mr.G.Rajesh | Asst.Professor | Member |
| Industry Expert | | | |
| 11 | Dr.K.Sudheer Reddy | Founder & Head Technology, Intelligent Nxt Solution , Hyderabad | Member |
| Alumni of the Department | | | |
| 12 | Mr.CH.Srihari | Principle Member, Technical Oracle, Bangalore | Member |

Department of Mathematics:

| S.No | Name | Designation | Role of BOS |
|---------------------------|----------------------|--|-------------|
| 1 | Dr.M.Rajaiah | Professor & HoD | Chairman |
| Subject Experts | | | |
| 2 | Dr.S.Sreenadh | Professor, Dept.of Mathematics SVUniversity,Tirupati | Member |
| 3 | Dr.P.Vasudeva Reddy | Professor, Dept.of Mathematics Andhra University, Vizag | Member |
| University Nominee | | | |
| 4 | Dr.YVSS Sanyasi Raju | Professor, Dept.of Mathematics IIT, Madras | Member |
| Department Faculty | | | |
| 5 | Dr.Y.Harnadh | Assoc,Professor | Member |
| 6 | Dr.C.Suresh Babu | Assoc.Professor | Member |
| 7 | Mr.Ch.Suresh | Asst.Professor | Member |
| 8 | Mr.V.Jagadesh | Asst.Professor | Member |
| 9 | Mrs.B.Padma | Asst.Professor | Member |
| 10 | Mrs.Y.NagaVeni | Asst.Professor | Member |
| Industry Expert | | | |
| 11 | Mr.Y.VidyaSagar | Managing Director, CitrusPvt.,Ltd, Gudur | Member |

Department of Physics:

| S.No | Name | Designation | Role of BOS |
|---------------------------|-------------------------|---|-------------|
| 1 | Dr.M.Rajaiah | Professor & HoD | Chairman |
| Subject Experts | | | |
| 2 | Dr.Murthy VRK | Professor, Dept.of Physics IIT, Madras | Member |
| 3 | Dr.K.T.RamaKrishnaReddy | Professor, Dept.of Physics SVUniversity,Tirupati | Member |
| University Nominee | | | |
| 4 | Dr.K.Thyagarajan | Professor, Dept.of Physics JNTUACEP,Pulivendula | Member |
| Department Faculty | | | |
| 5 | Mr.P.V.Ramanaiah | Asst.Professor | Member |
| 6 | Mrs.V.S.Samyuktha | Asst.Professor | Member |
| Industry Expert | | | |
| 7 | Mr.Y.VidyaSagar | Managing Director,CitrusPvt.,Ltd,Gudur | Member |

Department of Chemistry:

| S.No | Name | Designation | Role of BOS |
|---------------------------|--------------------|---|-------------|
| 1 | Dr.M.Rajaiah | Professor & HoD | Chairman |
| Subject Experts | | | |
| 2 | Dr.G.RangaRao | Professor, Dept.of Chemistry IIT, Madras | Member |
| 3 | Dr.D.Srinivasulu | Professor, Dept.of Chemistry SVUniversity,Tirupati | Member |
| University Nominee | | | |
| 4 | Dr.G.V.SubbaReddy | Professor, Dept.of Chemistry JNTUACEP,Pulivendula | Member |
| Department Faculty | | | |
| 5 | Dr. A. Vani | Professor | Member |
| 6 | Dr.C.Giridhar | Assoc,Professor | Member |
| 7 | Mr.T.K.MadhuSudhan | Asst.Professor | Member |
| Industry Expert | | | |
| 8 | Mr.Y.VidyaSagar | Managing Director,CitrusPvt.,Ltd,Gudur | Member |

Department of English:

| S.No | Name | Designation | Role of BOS |
|---------------------------|------------------|---|-------------|
| 1 | Dr.M.Rajaiah | Professor & HoD | Chairman |
| Subject Experts | | | |
| 2 | Dr.K.Sumakiran | Professor, Dept.of English SV University,Tirupati | Member |
| 3 | Dr.R.Prabhakar | Professor, Dept.of English VS University,Nellore | Member |
| University Nominee | | | |
| 4 | Dr.V.B.Chithra | Professor, Dept.of Dept.of English JNTUA,Anatapuramu | Member |
| Department Faculty | | | |
| 5 | Mr.G.HariKrishna | Asst.Professor | Member |
| 6 | Mrs.Y.UmaDevi | Asst.Professor | Member |
| 7 | Mrs.D.M.Sukumar | Asst.Professor | Member |
| Industry Expert | | | |
| 8 | Mr.Y.VidyaSagar | Managing Director,CitrusPvt.,Ltd,Gudur | Member |

Department of Master of Business Administration:

| S.N o | Name | Designation | Role in BOS |
|---------------------------|-----------------------|---|--------------------|
| 1 | Dr.A.M.Mahaboob Basha | Assistant Professor & HOD | Chairperson |
| Subject Experts | | | |
| 2 | Prof.T.Srinivas | Professor DEAN, Faculty of Commerce, Management & Law Yogi Vemana University, Kadapa. tallurus@gmail.com | Member |
| 3 | Prof.J.Katyayani | Professor Department of Business Management Sri Padmavathi Mahila University, Tirupati jkatyayani@gmail.com | Member |
| 4 | Dr.P.Chenchu Reddy | Associate Professor, Department of Management Studies Vikrama Simhapuri University, Nellore drpcreddy9@gmail.com | Member |
| University Nominee | | | |
| 5 | Prof.M.L.S Deva Kumar | Vice- Principal, JNTUA College of Engineering, Anantapur Jawaharlal Nehru Technological University, Ananthapur | Member |
| Department faculty | | | |
| 6 | Mr.G.Venkateswarlu | Assistant Professor, Specialization: Finance and Marketing Audisankara College of Engineering & Technology | Member |
| 7 | Mr.Y.Bharani Srinivas | Assistant Professor, Specialization: Finance and Marketing Audisankara College of Engineering & Technology | Member |
| 8 | Mrs.C.M.Salma | Assistant Professor, Specialization: HRM and Finance | Member |
| 9 | Mr.G.Murali Krishna | Assistant Professor, Specialization: HRM and Marketing | Member |
| 10 | Mr.G.Sainath | Assistant Professor Specialization : HRM and Finance | Member |
| 11 | Mr.C.Vijay Kumar | Assistant Professor Specialization: Marketing and Finance | Member |
| Industry Expert | | | |
| 12 | Mr.T.Rajendra Prasad | Executive Director, KSSPL, Krishnapatnum Port Nellore(Dt), Andhra Pradesh rajendraprasadt@krishnapatnamport.com | Member |
| Alumni | | | |
| 13 | Miss.K.Hemalatha | Junior Officer Department of Finance, Piolax India Private limited Hemalathakodamati1012@gmail.com | Member |

Department of Master of Computer Application:

| S.No | Name | Designation | Role of BOS |
|---------------------------------|---------------------|---|-------------|
| 1 | Mr.V.Chandra Sekhar | Assoc.Professor, Incharge HOD- MCA | Chairman |
| Subject Experts | | | |
| 2 | Dr.R.S.Rama Krishna | Professor,SVU,Tirupathi | Member |
| 3 | Dr.P.Ramesh Reddy | Professor,VSU,Nellore | Member |
| University Nominee | | | |
| 4 | Dr.A.P.Shiva Kumar | Asst.Professor Dept.Of.MCA,JNTUA | Member |
| Department Faculty | | | |
| 5 | Mrs.N.Shobha Rani | Asst.Professor | Member |
| 6 | Ms.K.Nishitha | Asst.Professor | Member |
| 7 | Mr.P.Nagaraju | Asst.Professor | Member |
| 8 | Mr.G.Srinivasulu | Asst.Professor | Member |
| 9 | Mr.L.D.Kishore | Asst.Professor | Member |
| Industry Expert | | | |
| 10 | Dr.K.Sudheer Reddy | Founder & Head Technology, Intelligent Nxt Solution , Hyderabad | Member |
| Alumni of the Department | | | |
| 11 | Mrs.D.Prasanthi | Lead Accenture Technology , Bangalore | Member |

ITEM-II

Review of the minutes of previous meeting.

Resolution No :2/ACC-7

Members reviewed the minutes of the previous meeting and it's Action Taken Report

ITEM-III

SWOC and Gap Analysis of R16 Regulations.

Resolution No :3/ACC-7

Members reviewed the SWOC analysis of the existing R16 regulations and analyzed to best practices at the bench marking institutions.

Based on the analysis, members suggested to incorporate the following points

1. Revised R18 Regulations as suggested by AICTE model curriculum.
2. Number of theory subjects in a semester is restricted to 5 subjects to accommodate self learning and CRT.
3. More exposure to Industry/Practical oriented teaching.
4. Introducing certification courses in advance technologies.

ITEM-IV

Review and Approval of B.Tech Academic Rules and Regulations of R18 Regulations.

Resolution No :4/ACC-7

ACC has unanimously approved B.Tech Academic Rules and Regulations of R18 Regulations with the following suggestions.

Members reviewed the B.Tech Academic Rules and Regulations of R18 Regulations as follows:
For Four Year regular programme :

For pursuing four year undergraduate Bachelor Degree programme of study in Engineering (B.Tech) offered by AUDISANKARA COLLEGE OF ENGINEERING & TECHNOLOGY under Autonomous status and herein after referred to as ASCET.

1.0 CHOICE BASED CREDIT SYSTEM

The Indian Higher Education Institutions (HEI's) are changing from the conventional course structure to Choice Based Credit System (CBCS) along with introduction to semester system at first year itself. The semester system helps in accelerating the teaching-learning process and enables vertical and horizontal mobility in learning.

The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.

Choice Based Credit System (CBCS) is a flexible system of learning and provides choice for students to select from the prescribed elective courses. A course defines learning objectives and learning outcomes and comprises of lectures / tutorials /

laboratory work / field work / project work / comprehensive Examination / seminars / assignments / alternative assessment tools / presentations / self-study etc. or a combination of some of these.

Under the CBCS, the requirement for awarding a degree is prescribed in terms of number of credits to be completed by the students.

The CBCS permits students to:

- Choose electives from a wide range of elective courses offered by the departments.
- Undergo additional courses of interest.
- Adopt an interdisciplinary approach in learning.
- Make the best use of expertise of the available faculty.

2.0 ELIGIBILITY FOR ADMISSION

The total seats available as per the approved intake are grouped into two categories viz. category A and Category B with a ratio of 70:30 as per the state government guidelines vide G.O No.52.

2.1 The admissions for category A and B seats shall be as per the guidelines of Andhra Pradesh State Council for Higher Education (APSCHE) in consonance with government reservation policy.

- Under Category A: 70% of the seats are filled through EAMCET counseling.
- Under Category B: 30% seats are filled based on 10+2 merits in compliance with guidelines of APSCHE.

2.2 Admission eligibility-Under Lateral Entry Scheme Students with diploma qualification have an option of direct admission into 2nd year B. Tech. (Lateral entry scheme). Under this scheme 10% seats of sanctioned intake will be available in each course as supernumerary seats. Admissions to this three year B Tech later entry Programme will be through ECET. The maximum period to complete B. Tech. under lateral entry scheme is six consecutive academic years from the date of joining.

3.0 DURATION OF PROGRAMME

The course duration for the award of the Degree in **Bachelor of Technology** will be four academic years, with two semesters in each year. However if a student is unable to complete the course within 4 years, he/ she can do so by giving more attempts but within 8 consecutive academic years from the date of admission.

Academic Calendar

For all the eight semesters a common academic calendar shall be followed in each semester by having sixteen weeks of instruction, one week for the conduct of practical exams and with three weeks for theory examinations and evaluation. Dates for registration, sessional and end semester examinations shall be notified in the academic calendar of every semester. The schedule for the conduct of all the curricular and co-curricular activities shall be notified in the planner.

4.0 MEDIUM OF INSTRUCTION

The medium of instruction shall be English for all courses, examinations, seminar presentations and project work. The curriculum will comprise courses of study as given in course structure, in accordance with the prescribed syllabi.

5.0 BRANCHES OF STUDY

- Civil Engineering (CE)
- Electrical & Electronics Engineering (EEE)
- Mechanical Engineering (ME)
- Electronics & Communication Engineering (ECE)
- Computer Science & Engineering (CSE)

6.0 TYPES OF COURSES

6.1 Foundation / Skill Course:

Foundation courses are the courses based upon the content leads to enhancement of skill and knowledge as well as value based and are aimed at man making education. Skill subjects are those areas in which one needs to develop a set of skills to learn anything at all. They are fundamental to learning any subject.

6.2 Core Course:

There may be a core course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

6.3 Elective Course:

Electives provide breadth of experience in respective branch and applications areas. Elective course is a course which can be chosen from a pool of courses. It may be:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

An elective may be discipline centric (Professional Elective) focusing on those courses which add generic proficiency to the students or may be chosen from an unrelated discipline called as "Open Elective".

There are four professional elective groups; students can choose not more than two courses from each group. Overall, students can opt for four professional elective courses which suit their project work in consultation with the faculty advisor/mentor. Nevertheless, one course from each of the two open electives has to be selected.

6.4 Mandatory Course:

For mandatory courses like Induction Training, Environmental Sciences, Indian Constitution, Essence of Indian Traditional Knowledge, a student has to secure 40 marks out of 100 marks (i.e 40% of the marks allotted) in the continuous internal evaluation for passing the subject/course. For **Mandatory** courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

6.5 Activity Point Programme (APP):

For Activity Point Programme (APP) courses like Professional Society Activities, Communication Skills Practice, Soft Skills Practice, Quantitative Aptitude and Technical Aptitude, a student has to secure 40 marks out of 100 marks (i.e 40% of the marks allotted) in the continuous internal evaluation for passing the subject/course. For **APP** courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

6.6 NCC/ NSO and NSS Courses:

For the courses of NCC / NSO and NSS, a satisfactory participation certificate shall be issued to the student from the authorities concerned.

6.7 Mandatory/ Non-credit Courses Marks/Grade:

No marks or letter grade shall be allotted for all mandatory/non-credit courses.

7.0 SEMESTER STRUCTURE

Each academic year is divided into two semesters, TWO being MAIN SEMESTERS (one odd + one even). Main Semesters are for regular class work. However, the following cases are exempted:

7.1 Students admitted on transfer from JNTUA affiliated institutes, Universities and other institutes in the subjects in which they are required to earn credits so as to be on par with regular students as prescribed by concerned 'Board of Studies'.

7.2 Each main semester shall be of 21 weeks (Table 1) duration and this period includes time for registration of courses, course work, examination preparation and conduct of examinations.

7.3 Each main semester shall have a minimum of 90 working days; out of which number of contact days for teaching / practical are 75 and 15 days for conduct of exams and preparation.

7.4 The academic calendar shown in Table 1 is declared at the beginning of the academic year.

Table 1: Academic Calendar

| | | | |
|---|--|---------|----------|
| FIRST SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation and Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Semester Break and Supplementary Examinations | | | 2 weeks |
| SECOND SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation & Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Summer Vacation and Supplementary Examinations | | | 8 weeks |

8.0 REGISTRATION

8.1 Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is absolutely compulsory for the student to register for courses in time. The registration will be organized departmentally under the supervision of the Head of the Department.

8.2 IN ABSENTIA registration will not be permitted under any circumstance.

8.3 At the time of registration, students should have cleared all the dues of Institute and Hostel in the previous semesters, paid the prescribed fees for the current semester and not been debarred from institute for a specified period on disciplinary or any other ground.

9.0 UNIQUE COURSE IDENTIFICATION CODE

Every course of the B.Tech program will be placed in one of the four groups of courses as listed in the Table 2. The various courses and their two-letter codes are given below;

Table 2: Group of Courses

| Course | Code |
|---|------|
| 1 Civil Engineering | 01 |
| 2 Electrical & Electronics Engineering | 02 |
| 3 Mechanical Engineering | 03 |
| 4 Electronics & Communication Engineering | 04 |
| 5 Computer Science & Engineering | 05 |

10.0 CURRICULUM AND COURSE STRUCTURE

The curriculum shall comprise Foundation/ Skill Courses, Core Courses, Elective Courses, Open Electives, Laboratory Courses, Technical Seminar, Term Paper, Communication Skills Practice, Soft Skills Practice, Professional Society Activities, Mini Project, Internship and Major Project and Comprehensive Viva-Voce. The list of elective courses may include subjects from allied disciplines also.

Contact Periods: Depending on the complexity and volume of the course, the number of contact periods per week will be assigned. Each Theory and Laboratory course carries credits based on the number of hours/week as follows:

- Contact classes (Theory): 1 credit per lecture hour per week.
- Tutorial Classes (Theory): 1 credit per 2 lecture hours per week.
- Laboratory Hours (Practical): 1 credit for 2 Practical hours.

10.1

Credit distribution for courses offered is shown in Table 3.

Table 3: Credit distribution

| No | Credit Courses | Hours | Credit |
|----|--|-------|--------|
| 1 | Theory Course (Core/Foundation/Elective) | 3 | 3 |
| 2 | Theory Course (Core/Foundation/Elective) | 4 | 4 |
| 3 | Theory Course (Core/Foundation/Elective) | 3 | 3 |
| 4 | Open Elective Courses | 2 | 2 |
| 5 | Drawing Courses | +4 | 3 |
| 6 | MOOC Courses | 3 | 3 |
| 7 | Laboratory Courses | 4 | 2 |
| 8 | Laboratory Courses | 2 | 1 |
| 9 | Technical Seminar | 2 | 1 |
| 10 | Term Paper | 2 | 1 |
| 11 | Project Work Phase-I | 4 | 2 |
| 12 | Comprehensive Assessment | 2 | 1 |
| 13 | Project Work Phase-II | 20 | 10 |
| 14 | Mandatory Courses | 2 | 0 |
| 15 | Internship | 20 | 10 |
| 16 | Professional Society Activities | 2 | 0 |
| 17 | Soft Skills Practice | 2 | 0 |
| 18 | Communication Skills Practice | 2 | 0 |
| 19 | Quantitative Aptitude | 2 | 0 |
| 20 | Technical Aptitude | 2 | 0 |

10.2 Course Structure

Every program of study shall be designed to have 42 theory courses and 20 laboratory courses. Every course of the B.Tech program will be placed in one of the eight categories with minimum credits as listed in the Table 4. In addition, a student has to carry out a Project Work Phase-I, Project Work Phase-II and Comprehensive Assessment.

Table 4: Category Wise Distribution of Credits

| No | Category | Credit |
|----|---|-----------------|
| 1 | Humanities and Social Sciences (HS), including Management. | HS (05% to 10%) |
| 2 | Basic Sciences (BS) including Mathematics, Physics and Chemistry. | BS (10% to 15%) |
| 3 | Engineering Sciences (ES), including Workshop, Drawing, Basics of Electrical / Electronics / Mechanical / Computer Engineering. | ES (10% to 15%) |
| 4 | Professional Subjects - Core (PC), relevant to the chosen specialization/branch. | PC (40% to 50%) |
| 5 | Professional Subjects - Electives (PE), relevant to the chosen specialization/branch. | PE (10% to 15%) |

| | | | |
|--------------|---|----------------|------------|
| 6 | Open Subjects - Electives (OE), from other technical and/or emerging subject areas. | OE (01% to 5%) | 06 |
| 7 | Project Work and Comprehensive Viva-Voce, Mini Project and Internship | 5% to 10% | 13 |
| 8 | Technical Seminar and Term Paper | CRT | 02 |
| TOTAL | | | 160 |

10.3 For Four year regular programme :

| Four Year Regular Programme | | | |
|-----------------------------|------------------------------|---|-----|
| B.Tech I Semester | 5 Foundation | Induction Training + 3 | 20 |
| B.Tech II Semester | 5 Foundation | 3 | 20 |
| B.Tech III Semester | 5 + 1 (2 Credit Course) | 3 + Mandatory Course | 20 |
| B.Tech IV Semester | 5 + 1 (2 Credit Course) | 3 + Technical Seminar | 21 |
| B.Tech V Semester | 5 + OE-I (2 Credit Course) | 3 + Mandatory Course | 20 |
| B.Tech VI Semester | 5 + OE-II (2 Credit Course) | 3 + Term Paper | 21 |
| B.Tech VII Semester | 4 + OE-III (2 Credit Course) | 3 + Comprehensive Assessment + PW Phase-I | 19 |
| B.Tech VIII Semester | 3 | Project Work Phase-II | 19 |
| Total | 42 | 20+TS+TP+ Project Work Phase-I + Comprehensive Assessment + Project Work Phase-II | 160 |

10.4 For Three year lateral entry programme :

| Three Year Lateral Entry Programme | | | |
|------------------------------------|------------------------------|--|-----|
| B.Tech III Semester | 5 + 1 (2 Credit Course) | 3 + Mandatory Course | 20 |
| B.Tech IV Semester | 5 + 1 (2 Credit Course) | 3 + Technical Seminar | 21 |
| B.Tech V Semester | 5 + OE-I (2 Credit Course) | 3 + Mandatory Course | 20 |
| B.Tech VI Semester | 5 + OE-II (2 Credit Course) | 3 + Term Paper | 21 |
| B.Tech VII Semester | 4 + OE-III (2 Credit Course) | 3 + Comprehensive Assessment + PW Phase-I | 19 |
| B.Tech VIII Semester | 3 | Project Work Phase-II | 19 |
| Total | 32 | 14 + TS + TP + Project Work Phase-I + Comprehensive Assessment + Project Work Phase-II | 120 |

10.11 Course wise break-up for Regular program:

| | | |
|--|---|------------|
| Total Theory Courses - 42 (35Foundation and Core + 6 Professional Electives + 3 Open Elective) | 2 @ 4 credits each 35 @ 3credits each 5 @ 2credits each | 123 |
| Laboratory Courses – 20 | 2 @ 2 credits each 18 @ 1 credits each | 22 |
| Technical Seminar | 1 @ 1 credit | 01 |
| Term Paper with self study report | 1 @ 1 credit | 01 |
| Comprehensive Assessment | 1 @ 1 credit | 01 |
| Project Work Phase-I | 1 @ 2 credit | 02 |
| Project Work Phase-II/ Internship | 1 @ 10 credits | 10 |
| TOTAL CREDITS | | 160 |

10.12 Course wise break-up for three year lateral entry program :

| | | |
|--|---|------------|
| Total Theory Courses - 32 (35Foundation and Core + 6 Professional Electives + 3 Open Elective) | 27 @ 3credits each 5 @ 2credits each | 91 |
| Laboratory Courses – 14 | 14 @ 1 credit | 14 |
| Technical Seminar | 1 @ 1 credit | 01 |
| Term Paper with self study report | 1 @ 1 credit | 01 |
| Comprehensive Assessment | 1 @ 1 credit | 01 |
| Project Work Phase-I | 1 @ 2 credit | 02 |
| Project Work Phase-II/ Internship | 1 @ 10 credits | 10 |
| TOTAL CREDITS | | 120 |

11.0 DIVISION OF MARKS FOR INTERNAL AND EXTERNAL ASSESSMENT

| | Internal Assessment | External Assessment |
|-----------------------------------|---------------------|---------------------|
| Theory | 30 | 70 |
| Laboratory | 25 | 50 |
| Technical Seminar | 50 | - |
| Term Paper | 50 | - |
| Comprehensive Assessment | 100 | - |
| Project Work Phase-I | 50 | 50 |
| Project Work Phase-II/ Internship | 60 | 140 |

12.0 EVALUATION METHODOLOGY

The performance of a student in each semester shall be evaluated through Continuous Internal Assessment (CIA) and / or an Semester End Examination (SEE) conducted semester wise.

12.1 Theory Course:

The performance of a student in every theory course shall be evaluated for total of 100 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 30 marks and 70 marks respectively.

12.2 Practical Course:

The performance of a student in every practical course shall be evaluated for total of 75 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 25 marks and 50 marks respectively.

12.3 Internal Evaluation for Theory Course:

The total internal weightage for theory courses is 30 marks with the following distribution.

- 20 marks for Mid-Term Examination
- 10 marks for Assignment Test

While the first mid-term examination shall be conducted on the 50% of the syllabus (Unit-I, Unit-II & 50% of Unit-III), the second mid-term examination shall be conducted on the remaining 50% of the syllabus (50% of Unit III, Unit-IV & Unit-V).

10 marks are allocated for assignment test (as specified by the subject teacher concerned). The first assignment should be conducted after completion of Unit-I & Unit-II for 5 marks and the second assignment should be conducted after completion of Unit-III & Unit-IV for 5 marks. The final Assignment Test marks will be the addition of these two.

Two midterm examinations each for **20 marks** with the duration of 90 minutes each will be conducted for every theory course in a semester. The midterm examination marks shall be awarded giving a weightage of 80% in the midterm examination in which the student scores better performance and 20% in the remaining midterm examination.

The final mid-term marks obtain by the addition of these two (80% + 20%).

Example: If a student scores 23 marks and 24 marks in the first and second mid-term examinations respectively, then Weighted Average Marks = $24 \times 0.8 + 23 \times 0.2 = 23.8$, rounded to 24 Marks.

Note: The marks of any fraction shall be rounded off to the next higher mark.

12.4 Pattern of the midterm examination question paper is as follows:

- A total of two Sections (Section-I & Section-II)
- Section-I contains three one mark questions. One questions from each unit and a student has to be answered two questions (2X1=2 Marks)
- Section-II contains six questions are to be designed taking two questions from each unit (Unit wise – Either or type) of the three units.. (3X6=18 Marks)

Pattern of the Assignment Test is as follows:

- Five assignment questions are given in advance, out of which two questions given by the concerned teacher has to be answered during the assignment test
- Sum of Assignment Tests marks is considered.

Note: A student who is absent for any Mid-Term Examination/ Assignment Test, for any reason whatsoever, shall be deemed to have scored zero marks in that Mid-Term Examination/ Assignment Test and no make-up test shall be conducted.

12.5 Internal Evaluation for Practical Course:

For practical subjects there shall be a Continuous Internal Evaluation during the semester for 25 internal marks. Out of the 25 marks for internal evaluation, day-to-day assessment in the laboratory shall be evaluated for 10 marks and internal practical examination shall be evaluated for 15 marks conducted by the laboratory teacher concerned.

12.6 Internal Evaluation for Design/ Drawing Courses:

For the subject having design and/or drawing, (such as engineering graphics, engineering drawing, machine drawing, production drawing and building drawing) the internal marks distribution shall be 10 marks for day-to-day performance and 20 marks for Mid-Term Examinations.

12.7 Internal Evaluation for Technical Seminar:

There shall be a Technical seminar presentation in B.Tech IV Semester. A Technical Seminar shall have two components, one chosen by the student from the course work as an extension and approved by the faculty supervisor. The other component is suggested by the supervisor and can be a reproduction of the concept in any standard research paper or an extension of concept from earlier course work. A hard copy of the information on seminar topic in the form of a report is to be submitted for evaluation along with presentation. The presentation of the seminar topics shall be made before a committee consisting of Head of the department, seminar supervisor and a senior faculty member. Each Technical Seminar shall be evaluated for 50 marks. Technical Seminar component-I for 25 marks and component-II for 25 marks making total 50 marks. **(Distribution of marks for 25:** 5 marks for report, 5 marks for subject content, 10 marks for presentation and 5 marks for queries).

12.8 Internal Evaluation for Term Paper:

The Term Paper is a self study report and shall be carried out either during B.Tech VI Semester along with other lab courses. Every student will take up this term paper individually and submit a report. The scope of the term paper could be an exhaustive literature review choosing any engineering concept with reference to standard research papers or an extension of the concept of earlier course work in consultation with the term paper supervisor. The term paper reports submitted by the individual students during the B.Tech VI Semester shall be evaluated for a total of 50 marks for continuous assessment, it shall be conducted by two Examiners, one of them being term paper supervisor as Examiner-1 and an Examiner-2 nominated by the Principal from the panel of experts recommended by HOD.

12.9 Project Work:

The Project work is spread over to two semesters having Project Work Phase-I and Project Work Phase-II. Project Work Phase-I is included in B.Tech VII Semester and Project Work Phase-II in B.Tech VIII Semester as detailed below:

A student has to select topic of his Project Work based on his interest and available facilities, in the B.Tech VII semester which he will continue through B.Tech VIII semester also.

12.10 Internal Evaluation for Project Work Phase-I:

The object of Project Work Phase-I is to enable the student to take up investigative study in the broad field of his branch of Engineering, either fully theoretical/practical or involving both theoretical and practical work to be assigned by the department on an individual basis or three/four students in a group under the guidance of a supervisor/

guide. This is expected to provide a good initiation for the student(s) in R&D work.

The assignment normally includes:

- Survey and Study of published literature of on the assigned topic.
- Working out a preliminary approach to the problem relating to the assigned topic.
- Conducting preliminary analysis/ modeling/simulation/experiment/ design/ feasibility.
- Preparing a written report on the study conducted for presentation to the department.
- Final seminar presentation before Project Review Committee.

The supervisor/ guide will evaluate the execution of the project periodically.

Project Work Phase-I is allocated 100 marks with 2 credits. Out of 100, 25 marks are allocated for the supervisor/guide to be awarded based on periodical project reviews and submission of the report on the work done. 25 marks are allocated for the supervisor/guide and head of the department to be awarded based on seminar given by each student on the topic of the project. The other 50 marks shall be awarded on the basis of his presentation on the work done on his project by the Departmental committee comprising of Head of the Department, respective supervisor/ guide and two senior faculty of the department appointed by the Principal.

The candidate is declared to have passed in Project work Phase-I when he gets 40% marks given by the Departmental Committee and 50% marks overall.

12.11 Internal Evaluation for Project Work Phase-II:

The Project work Phase-II will be an extension of Phase-I project work. The object of Project work phase-II is to enable the student to extend further the investigative study taken up as the project in Phase-I under the guidance of the supervisor/ guide from the department.

The assignment normally includes:

- Preparing an action plan for conducting the investigation including the team work.
- In depth study of the topic assigned.
- Review and finalization of the approach to the problem relating to the assigned topic.
- Final development of product/process, testing, results, conclusions and further direction.
- Preparing a paper for conference presentation/ publication in journal if possible.
- Preparing a dissertation in the standard format for being evaluated by the department.
- Final presentation of the work done before the Project Review Committee (PRC).

Project Work Phase-II is allocated 50 internal marks. Out of 50, 25 marks are allocated for the supervisor/guide and head of the department to be evaluated based on two

seminars given by each student on the topic of the project. The other 25 marks shall be evaluated on the basis of his presentation on the work done on his project by the Departmental Committee comprising of Head of the Department, respective supervisor/guide and two senior faculty of the department appointed by the Principal.

12.12 Internal Evaluation for Internship:

Internship course is 60 marks for continuous internal assessment and will be evaluated based on day to day assessment by concerned industry.

12.13 External Evaluation for Theory Course - Semester End Examination:

The Semester End Examination in each theory subject shall be conducted for 3 hours duration at the end of the semester for 70 marks.

Pattern of the Semester End Examination question paper is as follows:

- A total of two Sections (Section-I & Section-II)
- Section-I contains five two mark questions. One question from each unit and a student has to be answered all the five questions compulsory ($5 \times 2 = 10$ Marks)
- Section-II contains ten questions are to be designed taking two questions from each unit (Unit Wise - Either or type) of the total five units. ($5 \times 12 = 60$ Marks)

A student has to secure not less than a minimum of 35% of marks (25 marks) exclusively at the Semester End Examinations in each of the theory subjects in which the candidate had appeared. However, the candidate shall have to secure a minimum of 40% of marks (40 marks) in both external and internal components put together to become eligible for passing in the subject.

12.14 External Evaluation for Theory Course - Semester End Examination:

The Semester End Examination in each theory subject shall be conducted for 3 hours duration at the end of the semester for 70 marks.

Pattern of the Semester End Examination question paper is as follows:

- A total of two Sections (Section-I & Section-II)
- Section-I contains five two mark questions. One question from each unit and a student has to be answered all the five questions compulsory ($5 \times 2 = 10$ Marks)
- Section-II contains ten questions are to be designed taking two questions from each unit (Unit Wise - Either or type) of the total five units. ($5 \times 12 = 60$ Marks)

A student has to secure not less than a minimum of 35% of marks (25 marks) exclusively at the Semester End Examinations in each of the theory subjects in which the candidate had appeared. However, the candidate shall have to secure a minimum of 40% of marks (40 marks) in both external and internal components put together to become eligible for passing in the subject.

The emphasis on the questions is broadly based on the following criteria:

| | |
|------|--|
| 50 % | To test the objectiveness of the concept |
| 30 % | To test the analytical skill of the concept |
| 20 % | To test the application skill of the concept |

12.15 External Evaluation for Practical Course:

Out of 50 marks 35 marks are allocated for experiment (procedure for conducting the experiment carries 15 marks & readings, calculation and result-20) and 10 marks for viva-voce examination with 5 marks for the record.

Each Semester External Lab Examination shall be evaluated by an Internal Examiner along with an External Examiner appointed by the Principal.

A candidate shall be declared to have passed in individual lab course if he secures a

minimum of 50% aggregate marks (38 marks) (Internal & Semester External Examination marks put together), subject to a minimum of 50% marks (25 marks) in the semester external examination.

12.16 External Evaluation for Project Work Phase-II:

The Semester End Examination for project work done during VII Semester and VIII Semester for 140 marks shall be conducted by a Project Review Committee (PRC). The committee comprises of an External Examiner appointed by the Principal, Head of the Department and Project Guide/Supervisor. The evaluation of project work shall be conducted at the end of the VIII Semester. The above committee evaluates the project work report with weightages of 50% of the marks (50 marks) awarded by external examiner, 20% of marks (20 marks) awarded by HOD & 30% of the marks (30 marks) by Project Guide/Supervisor respectively for a total of 100marks. Of the 40 marks for Presentation & Viva-Voce examination, HOD evaluates for 10 marks and external examiner for 30 marks. The evaluation of 140 marks is distributed as given below:

Distribution of Project Work Marks

| Sl. No. | Criterion | Marks |
|---------|----------------------------|-------|
| 1 | Report | 100 |
| 2 | Presentation & Viva – Voce | 40 |

A candidate shall be declared to have passed in project work phase-II if he secures a minimum of 50% aggregate marks (100 marks) (Internal & Semester External Examination marks put together), subject to a minimum of 50% marks (70 marks) in the project work phase-II end examination.

12.17 Massive Open Online Courses (MOOCs):

Meeting with the global requirements, to inculcate the habit of self learning and incompliance with UGC guidelines, MOOC (Massive Open Online Course) courses have been introduced as electives. The main intension to introduce MOOCs is to obtain enough exposure through online tutorials, self-learning at one's own pace, attempt quizzes, discuss with professors from various universities and finally to obtain certificate of completion for the course from the MOOCs providers

Regulations for MOOCs

- The respective departments shall give a list from NPTEL or any other standard providers, whose credentials are endorsed by the HOD.
- Each department shall appoint Coordinators/Mentors and allot the students to them who shall be responsible to guide students in selecting online courses and provide guidance for the registration, progress and completion of the same.
- A student shall choose an online course (relevant to his/her programme of study) from the given list of MOOCs providers, as endorsed by the teacher concerned, with the approval of the HOD.
- The details of MOOC(s) shall be displayed in Grade card of a student, provided he/she submits the proof of completion of it to the department concerned through the Coordinator/Mentor.
- Student can get certificate from SWAYAM/NPTEL or any other standard providers, whose credentials are endorsed by the HOD. The course work should not be less than 12 weeks or student may appear for end examination conducted

by the Institute.

- There shall be one Mid Continuous Internal Examination (Quiz exam for 40 marks) after 9 weeks of the commencement of the course and semester end examination (Descriptive exam for 60 marks) shall be done along with the other regular courses.

Three credits will be awarded upon successful completion of each MOOC courses having minimum of 8 weeks duration.

12.18 Internship:

The total internal weightage for internship course is 60 marks and will be evaluated based on day to day assessment by concern industry.

The external examination shall be evaluated by the two senior faculties (i.e one faculty act as external examiner and other one as internal examiner) for 140 marks based on the his/her report and presentation.

12.19 Full Semester Internship:

Full Semester Internship programme carries 10 credits. During Internship, student has to spend one full semester in an identified industry /firm / organization and has to carry out the internship as per the stipulated guidelines of that industry / firm / organization and the institute.

Following are the evaluation guidelines:

- Profile and abstract –Student has to submit the industry profile and abstract of the project within four weeks from date of commencement of internship through mail or post.

Weightage: 10%.

- Seminar 1 -at 9th week from date of commencement of internship - weightage: 10%
- Seminar 2 -Pre submission at 17th week from date of commencement of internship- Weightage: 10%
- Internship Diary, weightage: 15 %
- Project Report, weightage: 15%
- Viva-voce & Final Presentation, weightage: 40%

The internship shall be evaluated for 200 marks out of which 60 marks for internal evaluation and 140 marks for external evaluation.

The external evaluation based on the report submitted and viva-voce exam for 140 marks by a committee comprising the HOD, Project supervisor and external examiner (Industry/ Academia).A minimum of 60% of maximum marks shall be obtained to earn the corresponding credits.

FSI shall be open to all the branches in the VII semester. The selection procedure is:

- Choice of the students

CGPA (> 7.5) upto IV semester with no current arrears and maintains the CGPA of 7.5 till VI Semester

13.0 GRADING PROCEDURE

Grades will be awarded to indicate the performance of students in each theory subject, laboratory / practicals, Technical Seminar, Term Paper, Project Work Phase-I, Comprehensive Assessment and Project Work Phase-II. Based on the percentage of marks obtained (Continuous Internal Evaluation plus Semester End Examination, both taken together) as specified in item 11 above, a corresponding letter grade shall be given.

13.1 As a measure of the performance of a student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed:

| % of Marks Secured in a Subject/Course (Class Intervals) | Letter Grade (UGC Guidelines) | Grade Points |
|--|-------------------------------|--------------|
| Greater than or equal to 90% | S (Superior) | 10 |
| 80 and less than 90% | A (Excellent) | 9 |
| 70 and less than 80% | B (Very Good) | 8 |
| 60 and less than 70% | C (Good) | 7 |
| 50 and less than 60% | D (Average) | 6 |
| 40 and less than 50% | E (Pass) | 5 |
| Below 40% | F (FAIL) | 0 |
| Absent | AB | 0 |

13.2 A student who has obtained an 'F' grade in any subject shall be deemed to have 'failed' and is required to reappear as a 'supplementary student' in the semester end examination, as and when offered. In such cases, internal marks in those subjects will remain the same as those obtained earlier

13.3 To a student who has not appeared for an examination in any subject, 'Ab' grade will be allocated in that subject, and he is deemed to have 'failed'. A student will be required to reappear as a 'supplementary student' in the semester end examination, as and when offered next. In this case also, the internal marks in those subjects will remain the same as those obtained earlier.

13.4 A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

13.5 A student earns grade point (GP) in each subject/ course, on the basis of the letter grade secured in that subject/ course. The corresponding 'credit points' (CP) are computed by multiplying the grade point with credits for that particular subject/ course.

Credit points (CP) = grade point (GP) x credits For a course

13.6 A student passes the subject/ course only when GP ≥ 5 ('E' grade or above)

13.7 ➤ A student obtaining Grade F shall be considered failed and will be required to reappear for that subject when the next supplementary examination offered.

➤ For Mandatory courses “Satisfactory” or “Unsatisfactory” shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

13.8 **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):**

i. The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \Sigma (C_i \times G_i) / \Sigma C_i$$

where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

ii. The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \Sigma (C_i \times S_i) / \Sigma C_i$$

where “ S_i ” is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

iii. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

iv. While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D, E and F.

Example: Computation of SGPA and CGPA

Illustration for SGPA

| Course | Credit | Grade Letter | Grade Point | Credit Point |
|------------|--------|--------------|-------------|--------------|
| Course-I | 3 | S | 10 | 3x10=30 |
| Course-II | 3 | A | 9 | 3x9=27 |
| Course-III | 3 | B | 8 | 3x8=24 |
| Course-IV | 3 | D | 6 | 3x6=18 |
| Course-V | 2 | B | 8 | 2x8=16 |
| Course-VI | 1 | C | 7 | 1x7=7 |
| | 15 | | | 122 |

$$\text{Thus, SGPA} = \frac{122}{15} = 8.13$$

Illustration for CGPA

| Credit | SGPA | Credit | SGPA | Credit | SGPA | Credit | SGPA |
|------------|------------|------------|-----------|------------|-----------|------------|-----------|
| Credit: 20 | SGPA: 8.13 | Credit: 20 | SGPA: 6.9 | Credit: 20 | SGPA: 7.3 | Credit: 21 | SGPA: 6.8 |
| Credit: 20 | SGPA: 8.2 | Credit: 21 | SGPA: 7.4 | Credit: 19 | SGPA: 7.2 | Credit: 19 | SGPA: 7.8 |

$$\text{Thus, CGPA} = \frac{(20 \times 8.13) + (20 \times 6.9) + (20 \times 7.3) + (21 \times 6.8) + (20 \times 8.2) + (21 \times 7.2) + (19 \times 7.2) + (19 \times 7.8)}{160}$$

$$= 7.461$$

14.0 AWARD OF CLASS

14.1 After a student has satisfied the requirement prescribed for the completion of the program and is eligible for the award of B.Tech. Degree he/she shall be placed in one of the following four classes:

| CGPA \geq 7.5 | CGPA \geq 6.5 and $<$ 7.5 | CGPA \geq 5.0 and $<$ 6.5 | CGPA \geq 4.0 and $<$ 5.0 | CGPA $<$ 4.0 |
|-------------------------------------|-----------------------------|-----------------------------|-----------------------------|--------------|
| First Class with Distinction | First Class | Second Class | Pass Class | Fail |

A student with final CGPA is < 4.00 will not be eligible for the Award of the Degree.

15.0 CONDUCT OF SEMESTER END EXAMINATIONS AND EVALUATION

15.1 Semester end examination shall be conducted by the Controller of Examinations (COE) by inviting Question Papers from the External Examiners

15.2 Question papers may be moderated for the coverage of syllabus, pattern of questions by a Semester End Examination Committee chaired by CoE and senior subject expert before the commencement of semester end examinations. Internal Examiner shall prepare a detailed scheme of valuation.

15.3 The answer papers of semester end examination should be evaluated by the first examiner immediately after the completion of exam and the award sheet should be submitted to CoE in a sealed cover before the same papers are kept for second evaluation by external examiner.

15.4 In case of difference is more than 15% of marks, the answer paper shall be re-evaluated by a third examiner appointed by the Examination Committee and the marks awarded by third examiner is compared with first and second evaluation marks and higher marks of minimum difference pair will be considered as final marks.

15.5 CoE shall invite required number of external examiners to evaluate all the end-semester answer scripts on a prescribed date(s). Practical laboratory exams are conducted involving external examiners.

15.6 Examinations Control Committee shall consolidate the marks awarded by both the examiners and award grades.

16.0 SUPPLEMENTARY EXAMINATIONS

Apart from the regular End Examinations the institute may also schedule and conduct supplementary examinations for all subjects for the benefit of students with backlogs. Such students writing supplementary examinations as supplementary candidates may have to write more than one examination per day.

17.0 ATTENDANCE REQUIREMENTS AND DETENTION POLICY

17.1 A candidate shall put in a minimum required attendance of 75 % in that semester. Otherwise, s/he shall be declared detained and has to repeat semester.

17.2 For cases of medical issues, deficiency of attendance in a semester to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of Head of the department if their attendance is between 75% and 65% in a semester, subjected to submission of medical certificates, medical case file and other needful documents to the concerned departments. The condonation is permitted maximum of two times during the entire course of study.

17.3 A prescribed fee shall be payable towards condonation of shortage of attendance.

17.4 A student shall not be promoted to the next semester unless he/she satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that semester when offered next. If any candidate fulfills the attendance requirement in the present semester, he/she shall not be eligible for readmission into the same class.

17.5 Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

18.0 PROMOTION POLICIES

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no. 17.

18.1 A student shall be promoted from IV Semester to V Semester only if he/she acquires 24 credits (i.e 40% of total credits) that have been studied up to III Semester from the following examinations, irrespective of whether the candidates takes the end examinations or not as per the normal course of the study

B.Tech I Semester - one Regular and two Supplementary

B.Tech II Semester - one Regular and one Supplementary

B.Tech III Semester - one Regular only

18.2 A student shall be promoted from VI Semester to VII Semester only if he/she acquires 40 credits(i.e 40% of total credits) that have been studied up to V Semester from the following examinations, irrespective of whether the candidates takes the end examinations or not as per the normal course of the study

B.Tech I Semester - one Regular and four Supplementary

B.Tech II Semester - one Regular and three Supplementary

B.Tech III Semester - one Regular and two Supplementary

B.Tech IV Semester - one Regular and one Supplementary

B.Tech V Semester - one Regular only

18.3 A student shall be promoted from VI Semester to VII Semester only if he/she acquires 24 of the credits (i.e 40% of the credits) from the courses that have been studied up to V Semester from all the regular and supplementary examinations until V Semester.

- Two regular and one supplementary examinations of III Semester.
- One regular and one supplementary examinations of IV Semester.
- One regular examination of V semester.

18.4 A student shall register and put up minimum attendance in all 120 credits and earn all the 120 credits. Marks obtained in all 120 credits shall be considered for the calculation of aggregate percentage of marks obtained.

18.5 Students who fail to earn 120 credits as indicated in the course structure within six academic years from the year of their admission shall forfeit their seat in B.Tech. Course and their admission shall stand cancelled.

19.0 GRADUATION REQUIREMENTS

The following academic requirements shall be met for the award of the B.Tech degree.

19.1 Student shall register and acquire minimum attendance in all courses and secure 160 credits for regular program and 120 credits for lateral entry program.

19.2 A student of a regular program, who fails to earn 160 credits within eight consecutive academic years from the year of his/her admission with a minimum CGPA of 4.0, shall forfeit his/her degree and his/her admission stands cancelled.

19.3 A student of a lateral entry program who fails to earn 120 credits within six consecutive academic years from the year of his/her admission with a minimum CGPA of 4.0, shall forfeit his/her degree and his/her admission stands cancelled.

20.0 REVALUATION

A student, who seeks the re-evaluation of the answer script, is directed to apply for the photocopy of his/her semester examination answer paper(s) in the theory course(s), within 5 working days from the declaration of results in the prescribed format with prescribed fee to the Controller of Examinations through the Head of the department. On receiving the photocopy, the student can consult with a competent member of faculty and seek the opinion for revaluation. Based on the recommendations, the student can register for the revaluation with prescribed fee. The Controller of Examinations shall arrange for the revaluation and declare the results. Revaluation is not permitted to the courses other than theory courses.

21.0 TEMPORARY BREAK OF STUDY FROM THE PROGRAMME

21.1 A candidate is normally not permitted to break the study. However, if a candidate intends to temporarily discontinue the program in the middle for valid reasons (such as accident or hospitalization due to prolonged ill health) and to rejoin the program after the break from the commencement of the respective semester as and when it is offered, s/he shall apply to the Principal in advance. Such application shall be submitted before the commencement of the semester in question and forwarded through the Head of the department stating the reasons for such withdrawal together with supporting documents and endorsement of his / her parent / guardian.

21.2 The institute shall examine such an application and if it finds the case to be genuine, it may permit the student to rejoin. Such permission is accorded only to those who do not have any outstanding dues like tuition fee etc.

21.3 The total period for completion of the program reckoned from the commencement of the semester to which the candidate was first admitted shall not exceed the maximum period specified in clause 19.0. The maximum period includes the break period.

22.0 **TERMINATION FROM THE PROGRAMME**
The admission of a student to the program may be terminated and the student is asked to leave the institute in the following circumstances:

22.1 The student fails to satisfy the requirements of the program within the maximum period stipulated for that program.

22.2 A student shall not be permitted to study any semester more than three times during the entire Program of study.

22.3 The student fails to satisfy the norms of discipline specified by the institute from time to time.

23.0 **WITH-HOLDING OF RESULTS**
If the candidate has any dues not paid to the institute or if any case of indiscipline or malpractice is pending against him/her, the result of the candidate shall be withheld and he/she will not be allowed / promoted into the next higher semester. The issue of awarding degree is liable to be withheld in such cases.

24.0 **STUDENT TRANSFERS**
Student transfers shall be as per the guidelines issued by the Government of Andhra Pradesh from time to time.

25.0 **GRADUATION DAY**
The institute shall have its own annual Graduation Day for the award of Degrees to students completing the prescribed academic requirements in each case, in consultation with the University and by following the provisions in the Statute. The college shall institute prizes and medals to meritorious students and award them annually at the Graduation Day. This will greatly encourage the students to strive for excellence in their academic work.

26.0 **CONDUCT AND DISCIPLINE**

- Students shall conduct themselves within and outside the premises of the Institute in a decent and dignified manner befitting the students of Audisankara College of Engineering & Technology.
- As per the order of the Honorable Supreme Court of India, ragging in any form is considered a criminal offence and is totally banned. Any form of ragging will be severely dealt with the following acts of omission and / or commission shall constitute gross violation of the code of conduct and are liable to invoke disciplinary measures with regard to ragging.
- (i) Lack of courtesy and decorum; indecent behavior anywhere within or outside the college campus.
- (ii) Damage of college property or distribution of alcoholic drinks or any kind of narcotics to fellow students / citizens.
- Possession, consumption or distribution of alcoholic drinks or any kind of narcotics or hallucinogenic drugs.
- Mutilation or unauthorized possession of library books.
- Noisy and unruly behavior, disturbing studies of fellow students.
- Hacking in computer systems (such as entering into other person's areas without

prior permission, manipulation and / or damage of computer hardware and software or any other cyber crime etc.

- Usage of camera /cell phones in the campus.
- Plagiarism of any nature.
- Any other act of gross indiscipline as decided by the college academic council from time to time.
- Commensurate with the gravity of offense, the punishment may be reprimand, fine, expulsion from the institute/ hostel, debarring from examination, disallowing the use of certain facilities of the Institute, rustication for a specified period or even outright expulsion from the Institute, or even handing over the case to appropriate law enforcement authorities or the judiciary, as required by the circumstances.
- For an offence committed in (i) a hostel (ii) a department or in a class room and (iii) elsewhere, the chief Warden, the concern Head of the Department and the Principal respectively, shall have the authority to reprimand or impose fine.
- Cases of adoption of unfair means and/ or any malpractice in an examination shall be reported to the principal for taking appropriate corrective action.
- All cases of serious offence, possibly requiring punishment other than reprimand, shall be reported to the Academic council of the college.
- The Institute Level Standing Disciplinary Action Committee constituted by the academic council shall be the authority to investigate the details of the offence, and recommend disciplinary action based on the nature and extent of the offence committed.
- The Principal shall deal with any problem, which is not covered under these rules and regulations.

27.0 GRIEVANCE REDRESSAL COMMITTEE

Grievance and Redressal Committee constituted by the Principal shall deal with all grievances pertaining to the academic / administrative / disciplinary matters. All the students must abide by the code and conduct rules prescribed by the college from time to time.

28.0 TRANSITORY REGULATIONS

required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption will be given to those candidates who have already passed such courses in the earlier semester(s) s/he was originally admitted into and substitute subjects are offered in place of them as decided by the Board of Studies. However, the decision of the Board of Studies will be final.

28.1 Four Year B.Tech Regular course:

A student who is following Jawaharlal Nehru Technological University Anantapur (JNTUA) curriculum and detained due to shortage of attendance at the end of the first semester shall join the autonomous batch of first semester. Such students shall study all the courses prescribed for the batch in which the student joins and considered on par with regular candidates of Autonomous stream and will be governed by the autonomous regulations.

A student who is following JNTUA curriculum, detained due to lack of credits or

shortage of attendance at the end of the second semester or at the subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses will be offered in place of them as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be sum of the credits up to previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate seeks readmission and subsequent semesters under the autonomous stream. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.2

Three Year B.Tech program under Lateral Entry Scheme:

A student who is following JNTUA curriculum and detained due to shortage of attendance at the end of the first semester of second year shall join the autonomous batch of third semester. Such students shall study all the courses prescribed for the batch in which the student joins and considered on par with Lateral Entry regular candidates of Autonomous stream and will be governed by the autonomous regulations.

A student who is following JNTUA curriculum, detained due to lack of credits or shortage of attendance at the end of the second semester of second year or at the subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses are offered in place of them as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be sum of the credits up to previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate seeks readmission and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.3

Transfer candidates (from non-autonomous college affiliated to JNTUA):

A student who is following JNTUA curriculum, transferred from other college to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses are offered in their place as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.4

Transfer candidates (from an autonomous college affiliated to JNTUA):

A student who has secured the required credits upto previous semesters as per the regulations of other autonomous institutions shall also be permitted to be transferred to this institute. A student who is transferred from the other autonomous colleges to this

institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute subjects are offered in their place as decided by the Board of Studies. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester as per the regulations of the college from which he is transferred and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

29.0 REVISION OF REGULATIONS AND CURRICULUM

The Institute from time to time may revise, amend or change the regulations, scheme of examinations and syllabi if found necessary and on approval by the Academic Council and the Governing Body shall come into force and shall be binding on the students, faculty, staff, all authorities of the Institute and others concerned.

MALPRACTICES RULES

DISCIPLINARY ACTION FOR / IMPROPER CONDUCT IN EXAMINATIONS

| S.No | Nature of Malpractices/Improper conduct | Punishment |
|--------|--|---|
| | <i>If the candidate:</i> | |
| 1. (a) | Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination) | Expulsion from the examination hall and cancellation of the performance in that subject only. |
| (b) | Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter. | Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him. |
| 2. | Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the subject of the examination (theory or practical) in which the candidate is appearing. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that Semester/year. The Hall Ticket of the candidate is to be cancelled and sent to the Controller of Examinations. |
| 3. | Impersonates any other candidate in connection with the examination. | The candidate who has impersonated shall be expelled from examination hall. The candidate is also debarred and forfeits the seat. The performance of the original candidate, who has been impersonated, shall be cancelled in all the subjects of the examination (including practicals and project work) already appeared and shall |

| | | |
|----|---|--|
| | | not be allowed to appear for examinations of the remaining subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against him. |
| 4. | Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 5. | Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks. | Cancellation of the performance in that subject. |
| 6. | Refuses to obey the orders of the Controller of Examinations /Additional Controller of Examinations/any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the COE or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the COE or any person on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of | In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. The candidates also are debarred and forfeit their seats. In case of outsiders, they will be handed over to the police and a police case is registered against them. |

| | | |
|----|--|--|
| | property in the examination hall or any part of the Institute premises or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination. | |
| 7. | Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 8. | Possess any lethal weapon or firearm in the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| 9. | If student of the college, who is not a candidate for the particular examination or any person not connected with the college indulges in any malpractice or improper conduct mentioned in clause 6 to 8. | Student of the colleges expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. Person(s) who do not belong to the College will be handed over to police and, a police case will be registered against them. |

| | | |
|-----|---|--|
| 10. | Comes in a drunken condition to the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. |
| 11. | Copying detected on the basis of internal evidence, such as, during valuation or during special scrutiny. | Cancellation of the performance in that subject and all other subjects the candidate has appeared including practical examinations and project work of that semester/year examinations. |
| 12. | If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment. | |

ITEM-V

Review and Approval of M.Tech Academic Rules and Regulations of R18 Regulations.

Resolution No : 5/ACC-7

ACC has unanimously approved M.Tech Academic Rules and Regulations of R18 Regulations with the following suggestions.

Members reviewed the M.Tech Academic Rules and Regulations of R18 Regulations as follows:

For pursuing two year postgraduate Master Degree program of study in Engineering (M.Tech) offered by Audisankara College of Engineering & Technology under Autonomous status and herein after referred to as ASCET.

1.0 CHOICE BASED CREDIT SYSTEM

The Indian Higher Education Institutions (HEI's) are changing from the conventional course structure to Choice Based Credit System (CBCS) along with introduction to semester system at first year itself. The semester system helps in accelerating the teaching-learning process and enables vertical and horizontal mobility in learning.

The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.

Choice Based Credit System (CBCS) is a flexible system of learning and provides choice for students to select from the prescribed elective courses. A course defines learning objectives and learning outcomes and comprises of lectures / tutorials / laboratory work / field work / project work / comprehensive Examination / seminars /

assignments / alternative assessment tools / presentations / self-study etc. or a combination of some of these.

Under the CBCS, the requirement for awarding a degree is prescribed in terms of number of credits to be completed by the students.

The CBCS permits students to:

- Choose electives from a wide range of elective courses offered by the departments.
- Undergo additional courses of interest.
- Adopt an interdisciplinary approach in learning.
- Make the best use of expertise of the available faculty.

2.0 ELIGIBILITY FOR ADMISSION

The total seats available as per the approved intake are grouped into two categories viz. category A and Category B with a ratio of 70:30 as per the state government guidelines vide G.O No.52.

2.1 The admissions for category A and B seats shall be as per the guidelines of Andhra Pradesh State Council for Higher Education (APSCHE) in consonance with government reservation policy.

- Under Category A: 70% of the seats are filled based on GATE/PGECET ranks..
- Under Category B: 30% seats are filled on merit basis as per guidelines of APSCHE.

3.0 DURATION OF PROGRAMME

The course duration for the award of the Degree in **Master of Technology** will be two academic years, with two semesters in each year. However if a student is unable to complete the course within 2 years, he/ she can do so by giving more attempts but within 4 consecutive academic years from the date of admission.

Academic Calendar

For all the four semesters a common academic calendar shall be followed in each semester by having sixteen weeks of instruction, one week for the conduct of practical exams and with three weeks for theory examinations and evaluation. Dates for registration, sessional and end semester examinations shall be notified in the academic calendar of every semester. The schedule for the conduct of all the curricular and co-curricular activities shall be notified in the planner.

4.0 MEDIUM OF INSTRUCTION

The medium of instruction shall be English for all courses, examinations, seminar presentations and project work. The curriculum will comprise courses of study as given in course structure, in accordance with the prescribed syllabi.

5.0 SPECIALIZATIONS OF STUDY

- Structural Engineering (STE)
- Electrical Power Systems (EPS)
- Power Electronics (PE)
- Embedded Systems (ES)
- VLSI (VLSI)

- Computer Science & Engineering (CSE)
- Software Engineering (SE)

6.0 TYPES OF COURSES

Courses in a programme may be of four kinds: Core, Elective and Open Elective

6.1 Core Course:

There may be a core course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

6.2 Elective Course:

Electives provide breadth of experience in respective branch and applications areas.

Elective course is a course which can be chosen from a pool of courses. It may be:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

There shall be five professional core elective groups out of which students can choose not more than two courses from each group. Overall, students can opt for four professional elective courses which suit their project work in consultation with the faculty advisor/mentor. In addition, one course from each of the two open electives has to be selected. A student may also opt for more elective courses in his/her area of interest.

6.3 Open Elective Course:

An elective may be discipline centric focusing on those courses which add generic proficiency to the students or may be chosen from supportive/general discipline called as "Open Elective".

7.0 SEMESTER STRUCTURE

Each academic year is divided into two semesters, TWO being MAIN SEMESTERS (one odd + one even). Main Semesters are for regular class work. However, the following cases are exempted:

- 7.1 Students admitted on transfer from JNTUA affiliated institutes, Universities and other institutes in the subjects in which they are required to earn credits so as to be on par with regular students as prescribed by concerned 'Board of Studies'.
- 7.2 Each main semester shall be of 21 weeks (Table 1) duration and this period includes time for registration of courses, course work, examination preparation and conduct of examinations.
- 7.3 Each main semester shall have a minimum of 90 working days; out of which number of contact days for teaching / practical are 75 and 15 days for conduct of exams and preparation.
- 7.4 The academic calendar shown in Table 1 is declared at the beginning of the academic year.

Table 1: Academic Calendar

| | | | |
|---|--|---------|----------|
| FIRST SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation and Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Semester Break and Supplementary Examinations | | | 2 weeks |
| SECOND SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation & Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Summer Vacation and Supplementary Examinations | | | 8 weeks |

8.0 REGISTRATION

8.1 Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is absolutely compulsory for the student to register for courses in time. The registration will be organized departmentally under the supervision of the Head of the Department.

8.2 IN ABSENTIA registration will not be permitted under any circumstance.

8.3 At the time of registration, students should have cleared all the dues of Institute and Hostel in the previous semesters, paid the prescribed fees for the current semester and not been debarred from institute for a specified period on disciplinary or any other ground.

9.0 UNIQUE COURSE IDENTIFICATION CODE

Every course of the M.Tech program will be placed in one of the four groups of courses as listed in the Table 2. The various courses and their two-letter codes are given below;

Table 2: Group of Courses

| Group of Courses | | | |
|------------------|--------------------------------|---|-----|
| 1 | Civil Engineering | Civil Engineering | STE |
| 2 | Electrical Power Systems | Electrical & Electronics Engineering | EPS |
| 3 | Power Electronics | Electrical & Electronics Engineering | PE |
| 4 | Embedded Systems | Electronics & Communication Engineering | ES |
| 5 | VLSI | Electronics & Communication Engineering | VL |
| 6 | Computer Science & Engineering | Computer Science & Engineering | CSE |
| 7 | Software Engineering | Computer Science & Engineering | SE |

10.0 CURRICULUM AND COURSE STRUCTURE

The curriculum shall comprise Core Courses, Elective Core Courses, Laboratory Courses, Term Paper, Project Work Phase-I and Project Work Phase-II.

Each Theory and Laboratory course carries credits based on the number of hours / week as follows:

- Lecture Hours (Theory): 1 credit per lecture hour per week.
- Laboratory Hours (Practical): 1 credit for 2 practical hours, 2 credits for 3 or 4 practical hours per week.
- Project Work: 1 credit for 2 hours of project work per week.

10.1 Credit distribution for courses offered is shown in Table 3.

Table 3: Credit distribution

| 1 | Courses | 4 | 4 |
|---|-------------------------------|----|----|
| 2 | isional Core Elective Courses | 4 | 4 |
| 3 | atory Courses | 4 | 2 |
| 4 | Elective Courses | 4 | 4 |
| 5 | Paper | 4 | 2 |
| 6 | C Courses | 4 | 4 |
| 7 | et Work Phase-I | 20 | 10 |

10.2 For two year regular programme :

| CREDIT DISTRIBUTION FOR TWO YEAR REGULAR PROGRAMME | | | |
|--|--|---|----|
| M.Tech I Semester | 2 Core + Elective-I + Elective-II + Research Methodology & IPR | 2 | 22 |
| M.Tech II Semester | 2 Core + Elective-III + Elective-IV | 2 + Term Paper | 22 |
| MTech III Semester | Open Elective + Elective-V | Project Work Phase-I | 18 |
| M.Tech IV Semester | 0 | Project Work Phase-II | 16 |
| Total | 4 Core + Elective-I + Elective-II + Research Methodology & IPR + Elective-III + Elective-IV + Open Elective + Elective-V | 4 + Term Paper + Project Work Phase-I + Project Work Phase-II | 78 |

10.3 Course wise break-up for Regular program:

| | | |
|---|---|-----------|
| Total Theory Courses (10) Core Courses (04)+Professional Core Electives (05) + Open Electives (01) | 4 @ 4 credits + 05 @ 4 credits + 01 @ 4 credits | 40 |
| Laboratory Courses – 4 | 4 @ 2 credits each | 8 |
| Research Methodology and IPR | 1 @ 2 credits | 2 |
| Term Paper with self study report | 1 @ 1 credit | 2 |
| Project Work Phase-I | 1 @ 10 credit | 10 |
| Project Work Phase-II | 1 @ 16 credits | 16 |
| TOTAL CREDITS | | 78 |

11.0 DIVISION OF MARKS FOR INTERNAL AND EXTERNAL ASSESSMENT

| Name of the Course | Continuous Internal Assessment (CIA) | Semester End Examination (SEE) |
|-----------------------|--------------------------------------|--------------------------------|
| Theory | 40 | 60 |
| Laboratory | 25 | 50 |
| Term Paper | 50 | - |
| Project Work Phase-I | Grade | |
| Project Work Phase-II | Grade | |

12.0 EVALUATION METHODOLOGY

The performance of a student in each semester shall be evaluated through Continuous Internal Assessment (CIA) and / or an Semester End Examination (SEE) conducted semester wise.

12.1 Theory Course:

The performance of a student in every theory course shall be evaluated for total of 100 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 40 marks and 60 marks respectively.

12.2 Practical Course:

The performance of a student in every practical course shall be evaluated for total of 75 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 25 marks and 50 marks respectively.

12.3 Internal Evaluation for Theory Course:

The total internal weightage for theory courses is 40 marks with the following distribution.

- 30 marks for Mid-Term Examination
- 10 marks for Assignment Test

While the first mid-term examination shall be conducted on the 50% of the syllabus (Unit-I, Unit-II, & 50% of Unit-III), the second mid-term examination shall be conducted on the remaining 50% of the syllabus (50 % of Unit III, Unit-IV & Unit-V).

10 marks are allocated for assignment test (as specified by the subject teacher

concerned). The first assignment should be conducted after completion of Unit-I & II for 5 marks and the second assignment should be conducted after completion of Unit-III & IV for 5 marks. The final Assignment Test marks will be the addition of these two. Two midterm examinations each for 30 marks with the duration of 90 minutes each will be conducted for every theory course in a semester. The midterm examination marks shall be awarded giving a weightage of 80% in the midterm examination in which the student scores better performance and 20% in the remaining midterm examination. The final mid-term marks obtain by the addition of these two (80% + 20%).

Example: If a student scores 33 marks and 34 marks in the first and second mid-term examinations respectively, then Weighted Average Marks = $34 \times 0.8 + 33 \times 0.2 = 33.8$, rounded to 34 Marks.

Note: The marks of any fraction shall be rounded off to the next higher mark.

12.4 Pattern of the midterm examination question paper is as follows:

- A total of three questions
- Question paper contains six questions are to be designed taking three questions from each unit (Unit Wise - Either or type) of the three units. (3X10=30 Marks)

Pattern of the Assignment Test is as follows:

- Five assignment questions are given in advance, out of which two questions given by the concerned teacher has to be answered during the assignment test
- Sum of Assignment Tests marks is considered.

Note: A student who is absent for any Mid-Term Examination/ Assignment Test, for any reason whatsoever, shall be deemed to have scored zero marks in that Mid-Term Examination/ Assignment Test and no make-up test shall be conducted.

12.5 Internal Evaluation for Practical Course:

For practical subjects there shall be a Continuous Internal Evaluation during the semester for 25 internal marks. Out of the 25 marks for internal evaluation, day-today assessment in the laboratory shall be evaluated for 10 marks and internal practical examination shall be evaluated for 15 marks conducted by the laboratory teacher concerned.

12.6 Internal Evaluation for Term Paper:

The Term Paper is a self study report and shall be carried out either during II semester along with other lab courses. Every student will take up this term paper individually and submit a report. The scope of the term paper could be an exhaustive literature review choosing any engineering concept with reference to standard research papers or an extension of the concept of earlier course work in consultation with the term paper supervisor. The term paper reports submitted by the individual students during the II semester shall be evaluated for a total of 50 marks for continuous assessment; it shall be conducted by two Examiners, one of them being term paper supervisor as internal examiner and an external examiner nominated by the Principal from the panel of experts recommended by HOD.

12.7 Project Work:

The Project work is spread over to two semesters having Project Work Phase-I and Project Work Phase-II. Project Work Phase-I is included in III Semester and Project Work Phase-II in IV Semester as detailed below:

A student has to select topic of his Project Work based on his interest and available facilities, in the III semester which he will continue through IV semester also.

12.8 External Evaluation for Theory Course - Semester End Examination:

The Semester End Examination in each theory subject shall be conducted for 3 hours duration at the end of the semester for 60 marks.

Pattern of the Semester End Examination question paper is as follows:

- Question Paper contains ten questions are to be designed taking two questions from each unit (Unit Wise - Either or type) of the total five units. (5X12=60 Marks)

A student has to secure not less than a minimum of 40% of marks (24 marks) exclusively at the Semester End Examinations in each of the theory subjects in which the candidate had appeared. However, the candidate shall have to secure a minimum of 50% of marks (50 marks) in both external and internal components put together to become eligible for passing in the subject.

The emphasis on the questions is broadly based on the following criteria:

| | |
|------|--|
| 50 % | To test the objectiveness of the concept |
| 30 % | To test the analytical skill of the concept |
| 20 % | To test the application skill of the concept |

12.9 External Evaluation for Practical Course:

Out of 50 marks 35 marks are allocated for experiment (procedure for conducting the experiment carries 15 marks & readings, calculation and result-20) and 10 marks for viva-voce examination with 5 marks for the record.

Each Semester External Lab Examination shall be evaluated by an Internal Examiner along with an External Examiner appointed by the Principal.

A candidate shall be declared to have passed in individual lab course if he secures a minimum of 50% aggregate marks (38 marks) (Internal & Semester External Examination marks put together), subject to a minimum of 50% marks (25 marks) in the semester external examination.

12.10 External Evaluation for Project Work Phase-I:

Every candidate shall be required to submit thesis or dissertation after taking up a topic approved by the college/ concerned department.

- **Registration of Project work:** A candidate is permitted to register for the project work phase-I after satisfying the attendance requirement of all the courses (theory and practical courses of I & II Semesters).
- An Internal Departmental Committee (I.D.C) consisting of HOD, Supervisor/ Guide and one Internal senior expert shall monitor the progress of the project work.
- The work on the project work phase-I shall be initiated in the III semester and continued in the final semester. The candidate can submit Project work phase-I dissertation with the approval of I.D.C. after 18 weeks from the date of registration at the earliest from the date of registration for the project work phase-I.
- The student must submit status report at least in three different phases during the project work period. These reports must be approved by the I.D.C before submission of the Project Report.
- Three copies of the Dissertation certified in the prescribed form by the supervisor and HOD shall be submitted to the HOD.

- The semester end examination for project work phase-I done during III Semester, shall be conducted by a Project Review Committee (PRC). The evaluation of project work shall be conducted at the end of the III Semester.
- The PRC comprises of an External examiner appointed by the Principal, Head of the Department and Project Guide/Supervisor to adjudicate the dissertation. The PRC shall jointly evaluate candidates work and award grades as given below.

| S.No | Description | Grade | Grade Point (GP) Assigned |
|------|------------------|---------|---------------------------|
| 1 | Very Good | Grade A | 10 |
| 2 | Good | Grade B | 9 |
| 3 | Satisfactory | Grade C | 8 |
| 4 | Not satisfactory | Grade D | 0 |

If the report of the viva-voce is not satisfactory (Grade D) the candidate will retake the viva-voce examination after three months. If he fails to get a satisfactory report at the second viva-voce examination he will not be eligible for the award of the degree unless the candidate is permitted to revise and resubmit the dissertation.

12.11 External Evaluation for Project Work Phase-II:

Every candidate shall be required to submit thesis or dissertation after taking up a topic approved by the college/ concerned department.

- **Registration of Project work:** A candidate is permitted to register for the project work phase-I after satisfying the attendance requirement of all the courses (theory and practical courses of I & II Semesters)
- An Internal Departmental Committee (I.D.C) consisting of HOD, Supervisor/ Guide and one Internal senior expert shall monitor the progress of the project work.
- The work on the project work phase-II shall be initiated in the IV semester. The candidate can submit Project work phase-II dissertation with the approval of I.D.C. after 18 weeks from the date of registration at the earliest from the date of registration for the project work phase-I.
- The student must submit status report at least in three different phases during the project work period. These reports must be approved by the I.D.C before submission of the Project Report.
- Three copies of the Dissertation certified in the prescribed form by the supervisor and HOD shall be submitted to the HOD.
- The semester end examination for project work phase-I done during III Semester, shall be conducted by a Project Review Committee (PRC). The evaluation of project work shall be conducted at the end of the IV Semester.
- The PRC comprises of an External examiner appointed by the Principal, Head of the Department and Project Guide/Supervisor to adjudicate the dissertation. The PRC shall jointly evaluate candidates work and award grades as given below

| S.No | Description | Grade | Grade Point (GP) Assigned |
|------|------------------|---------|---------------------------|
| 1 | Very Good | Grade A | 10 |
| 2 | Good | Grade B | 9 |
| 3 | Satisfactory | Grade C | 8 |
| 4 | Not satisfactory | Grade D | 0 |

If the report of the viva-voce is not satisfactory (Grade D) the candidate will retake the viva-voce examination after three months. If he fails to get a satisfactory report at the second viva-voce examination he will not be eligible for the award of the degree unless the candidate is permitted to revise and resubmit the dissertation.

12.12 Massive Open Online Courses (MOOCs):

Meeting with the global requirements, to inculcate the habit of self learning and incompliance with UGC guidelines, MOOC (Massive Open Online Course) courses have been introduced as electives. The main intension to introduce MOOCs is to obtain enough exposure through online tutorials, self-learning at one's own pace, attempt quizzes, discuss with professors from various universities and finally to obtain certificate of completion for the course from the MOOCs providers.

Regulations for MOOCs

- The respective departments shall give a list from NPTEL or any other standard providers, whose credentials are endorsed by the HOD.
- Each department shall appoint Coordinators/Mentors and allot the students to them who shall be responsible to guide students in selecting online courses and provide guidance for the registration, progress and completion of the same.
- A student shall choose an online course (relevant to his/her programme of study) from the given list of MOOCs providers, as endorsed by the teacher concerned, with the approval of the HOD.
- The details of MOOC(s) shall be displayed in Grade card of a student, provided he/she submits the proof of completion of it to the department concerned through the Coordinator/Mentor.
- Student can get certificate from SWAYAM/NPTEL or any other standard providers, whose credentials are endorsed by the HOD. The course work should not be less than 12 weeks or student may appear for end examination conducted by the Institute.
- There shall be one Mid Continuous Internal Examination (Quiz exam for 40 marks) after 9 weeks of the commencement of the course and semester end examination (Descriptive exam for 60 marks) shall be done along with the other regular courses.

Three credits will be awarded upon successful completion of each MOOC courses having minimum of 8 weeks duration.

12.13 Re-Registration For Improvement of Internal Evaluation Marks:

Following are the conditions to avail the benefit of improvement of internal evaluation marks.

- ❖ The candidate should have completed the course work and obtained examinations results for I, II & III semesters.
- ❖ He should have passed all the subjects for which the internal evaluation marks secured are more than 50%.
- ❖ Out of the subjects the candidate has failed in the examination due to Internal evaluation marks secured being less than 50%, the candidate shall be given one more chance for each Theory subject and for a maximum of three Theory subjects for Improvement of Internal evaluation marks.
- ❖ The candidate has to re-register for the subjects so chosen and fulfill all the academic requirements.
- ❖ For each subject, the candidate has to pay a fee equivalent to one third of the semester tuition fee and the amount is to be remitted in the form of D.D. in favour

of 'The Principal, Audisankara College of Engineering & Technology' payable at Gudur along with the requisition through the Controller of the Examinations of the college.

In the event of availing the Improvement of Internal evaluation marks, the internal evaluation marks as well as the End Examinations marks secured in the previous attempt(s) for the reregistered subjects stand cancelled

13.0 GRADING PROCEDURE

Grades will be awarded to indicate the performance of students in each theory subject, laboratory / practicals, Term Paper, Project Work Phase-I and Project Work Phase-II. Based on the percentage of marks obtained (Continuous Internal Evaluation plus Semester End Examination, both taken together) as specified in item 11 above, a corresponding letter grade shall be given.

13.1 As a measure of the performance of a student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed:

| Grade Scale | | |
|-------------|---------------|----|
| 91-100 | S (Superior) | 10 |
| 81-90 | A (Excellent) | 9 |
| 70-80 | B (Very Good) | 8 |
| 60-69 | C (Good) | 7 |
| 55-59 | D (Average) | 6 |
| 50-54 | E (Pass) | 5 |
| <50 | F (FAIL) | 0 |
| Ab (Absent) | Ab | 0 |

13.2 A student who has obtained an 'F' grade in any subject shall be deemed to have 'failed' and is required to reappear as a 'supplementary student' in the semester end examination, as and when offered. In such cases, internal marks in those subjects will remain the same as those obtained earlier

13.3 To a student who has not appeared for an examination in any subject, 'Ab' grade will be allocated in that subject, and he is deemed to have 'failed'. A student will be required to reappear as a 'supplementary student' in the semester end examination, as and when offered next. In this case also, the internal marks in those subjects will remain the same as those obtained earlier.

13.4 A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

13.5 A student earns grade point (GP) in each subject/ course, on the basis of the letter grade secured in that subject/ course. The corresponding 'credit points' (CP) are computed by multiplying the grade point with credits for that particular subject/ course.

Credit points (CP) = grade point (GP) x credits For a course

13.6 A student passes the subject/ course only when $GP \geq 5$ ('E' grade or above)

13.7

- A student obtaining Grade F shall be considered failed and will be required to reappear for that subject when the next supplementary examination offered.
- For Mandatory courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

13.8 **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):**

i. The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where " S_i " is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

v. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

vi. While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D, E and F.

Example: Computation of SGPA and CGPA

Illustration for SGPA

| Course-I | 3 | S | 10 | $3 \times 10 = 30$ |
|------------|----|---|----|--------------------|
| Course-II | 3 | A | 9 | $3 \times 9 = 27$ |
| Course-III | 3 | B | 8 | $3 \times 8 = 24$ |
| Course-IV | 3 | D | 6 | $3 \times 6 = 18$ |
| Course-V | 2 | B | 8 | $2 \times 8 = 16$ |
| Course-VI | 1 | C | 7 | $1 \times 7 = 7$ |
| | 15 | | | 122 |

$$\text{Thus, SGPA} = \frac{122}{15} = 8.13$$

Illustration for CGPA

| Credit: 22 | Credit: 22 | Credit: 18 | Credit: 16 |
|------------|------------|------------|------------|
| SGPA: 8.13 | SGPA: 6.9 | SGPA: 7.3 | SGPA: 6.8 |

$$\text{Thus, CGPA} = \frac{(22 \times 8.13) + (22 \times 6.9) + (18 \times 7.3) + (16 \times 6.8)}{78} \\ = 7.318$$

14.0 AWARD OF CLASS

14.1 After a student has satisfied the requirement prescribed for the completion of the program and is eligible for the award of M.Tech. Degree he/she shall be placed in one of the following four classes:

| CGPA \geq 7.5 | CGPA \geq 6.5 and < 7.5 | CGPA \geq 5.5 and < 6.5 | CGPA \geq 5.0 and < 5.5 | CGPA < 5.0 |
|-------------------------------------|---------------------------|---------------------------|---------------------------|-------------|
| First Class with Distinction | First Class | Second Class | Pass Class | Fail |

A student with final CGPA is < 5.00 will not be eligible for the Award of the Degree.

15.0 CONDUCT OF SEMESTER END EXAMINATIONS AND EVALUATION

15.1 Semester end examination shall be conducted by the Controller of Examinations (COE) by inviting Question Papers from the External Examiners

15.2 Question papers may be moderated for the coverage of syllabus, pattern of questions by a Semester End Examination Committee chaired by CoE and senior subject expert before the commencement of semester end examinations. Internal Examiner shall prepare a detailed scheme of valuation.

15.3 The answer papers of semester end examination should be evaluated by the first examiner immediately after the completion of exam and the award sheet should be submitted to CoE in a sealed cover before the same papers are kept for second evaluation by external examiner.

15.4 In case of difference is more than 15% of marks, the answer paper shall be re-evaluated by a third examiner appointed by the Examination Committee and the marks awarded by third examiner is compared with first and second evaluation marks and higher marks of minimum difference pair will be considered as final marks.

15.5 CoE shall invite required number of external examiners to evaluate all the end-semester answer scripts on a prescribed date(s). Practical laboratory exams are conducted involving external examiners.

15.6 Examinations Control Committee shall consolidate the marks awarded by both the examiners and award grades.

16.0 SUPPLEMENTARY EXAMINATIONS

Apart from the regular End Examinations the institute may also schedule and conduct supplementary examinations for all subjects for the benefit of students with backlogs. Such students writing supplementary examinations as supplementary candidates may have to write more than one examination per day.

17.0 ATTENDANCE REQUIREMENTS AND DETENTION POLICY

17.1 A candidate shall put in a minimum required attendance of 75 % in that semester. Otherwise, s/he shall be declared detained and has to repeat semester.

17.2 For cases of medical issues, deficiency of attendance in a semester to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of Head of the department if their attendance is between 75% and 65% in a semester, subjected to submission of medical certificates, medical case file and other needful documents to the concerned departments. The condonation is permitted maximum of two times during the entire course of study.

17.3 A prescribed fee shall be payable towards condonation of shortage of attendance.

17.4 A student shall not be promoted to the next semester unless he/she satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that semester when offered next. If any candidate fulfills the attendance requirement in the present semester, he/she shall not be eligible for readmission into the same class.

17.5 Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

18.0 PROMOTION POLICIES

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no. 17.

18.1 A student shall register and put up minimum attendance in all 78 credits and earn all the 78 credits. Marks obtained in all 78 credits shall be considered for the calculation of aggregate percentage of marks obtained.

19.0 GRADUATION REQUIREMENTS

The following academic requirements shall be met for the award of the M.Tech degree.

19.1 Student shall register and acquire minimum attendance in all courses and secure 78 credits for regular program and 78 credits for lateral entry program.

19.2 A student of a regular program, who fails to earn 78 credits within eight consecutive academic years from the year of his/her admission with a minimum CGPA of 5.0, shall forfeit his/her degree and his/her admission stands cancelled.

20.0 REVALUATION

A student, who seeks the re-evaluation of the answer script, is directed to apply for the photocopy of his/her semester examination answer paper(s) in the theory course(s), within 5 working days from the declaration of results in the prescribed format with prescribed fee to the Controller of Examinations through the Head of the department. On receiving the photocopy, the student can consult with a competent member of faculty

and seek the opinion for revaluation. Based on the recommendations, the student can register for the revaluation with prescribed fee. The Controller of Examinations shall arrange for the revaluation and declare the results. Revaluation is not permitted to the courses other than theory courses.

21.0 TEMPORARY BREAK OF STUDY FROM THE PROGRAMME

21.1 A candidate is normally not permitted to break the study. However, if a candidate intends to temporarily discontinue the program in the middle for valid reasons (such as accident or hospitalization due to prolonged ill health) and to rejoin the program after the break from the commencement of the respective semester as and when it is offered, s/he shall apply to the Principal in advance. Such application shall be submitted before the commencement of the semester in question and forwarded through the Head of the department stating the reasons for such withdrawal together with supporting documents and endorsement of his / her parent / guardian.

21.2 The institute shall examine such an application and if it finds the case to be genuine, it may permit the student to rejoin. Such permission is accorded only to those who do not have any outstanding dues like tuition fee etc.

21.3 The total period for completion of the program reckoned from the commencement of the semester to which the candidate was first admitted shall not exceed the maximum period specified in clause 19.0. The maximum period includes the break period.

22.0 TERMINATION FROM THE PROGRAMME

The admission of a student to the program may be terminated and the student is asked to leave the institute in the following circumstances:

22.1 The student fails to satisfy the requirements of the program within the maximum period stipulated for that program.

22.2 A student shall not be permitted to study any semester more than three times during the entire Program of study.

22.3 The student fails to satisfy the norms of discipline specified by the institute from time to time.

23.0 WITH-HOLDING OF RESULTS

If the candidate has any dues not paid to the institute or if any case of indiscipline or malpractice is pending against him/her, the result of the candidate shall be withheld and he/she will not be allowed / promoted into the next higher semester. The issue of awarding degree is liable to be withheld in such cases.

24.0 STUDENT TRANSFERS

Student transfers shall be as per the guidelines issued by the Government of Andhra Pradesh from time to time.

25.0 GRADUATION DAY

The institute shall have its own annual Graduation Day for the award of Degrees to students completing the prescribed academic requirements in each case, in consultation with the University and by following the provisions in the Statute. The college shall institute prizes and medals to meritorious students and award them annually at the Graduation Day. This will greatly encourage the students to strive for excellence in their academic work.

26.0 CONDUCT AND DISCIPLINE

- Students shall conduct themselves within and outside the premises of the Institute in a decent and dignified manner befitting the students of Audisankara

College of Engineering & Technology.

- As per the order of the Honorable Supreme Court of India, ragging in any form is considered a criminal offence and is totally banned. Any form of ragging will be severely dealt with the following acts of omission and / or commission shall constitute gross violation of the code of conduct and are liable to invoke disciplinary measures with regard to ragging.
- (iii) Lack of courtesy and decorum; indecent behavior anywhere within or outside the college campus.
- (iv) Damage of college property or distribution of alcoholic drinks or any kind of narcotics to fellow students / citizens.
- Possession, consumption or distribution of alcoholic drinks or any kind of narcotics or hallucinogenic drugs.
- Mutilation or unauthorized possession of library books.
- Noisy and unruly behavior, disturbing studies of fellow students.
- Hacking in computer systems (such as entering into other person's areas without prior permission, manipulation and / or damage of computer hardware and software or any other cyber crime etc.
- Usage of camera /cell phones in the campus.
- Plagiarism of any nature.
- Any other act of gross indiscipline as decided by the college academic council from time to time.
- Commensurate with the gravity of offense, the punishment may be reprimand, fine, expulsion from the institute/ hostel, debarring from examination, disallowing the use of certain facilities of the Institute, rustication for a specified period or even outright expulsion from the Institute, or even handing over the case to appropriate law enforcement authorities or the judiciary, as required by the circumstances.
- For an offence committed in (i) a hostel (ii) a department or in a class room and (iii) elsewhere, the chief Warden, the concern Head of the Department and the Principal respectively, shall have the authority to reprimand or impose fine.
- Cases of adoption of unfair means and/ or any malpractice in an examination shall be reported to the principal for taking appropriate corrective action.
- All cases of serious offence, possibly requiring punishment other than reprimand, shall be reported to the Academic council of the college.
- The Institute Level Standing Disciplinary Action Committee constituted by the academic council shall be the authority to investigate the details of the offence, and recommend disciplinary action based on the nature and extent of the offence committed.
- The Principal shall deal with any problem, which is not covered under these rules and regulations.

27.0 GRIEVANCE REDRESSAL COMMITTEE

Grievance and Redressal Committee constituted by the Principal shall deal with all grievances pertaining to the academic / administrative / disciplinary matters. All the students must abide by the code and conduct rules prescribed by the college from time to time.

28.0 TRANSITORY REGULATIONS

Required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption will be given to those candidates who have already passed such courses in the earlier semester(s) s/he was originally admitted into and substitute subjects are offered in place of them as decided by the Board of Studies. However, the decision of the Board of Studies will be final.

28.1 Two Year M.Tech Regular course:

A student who is following Jawaharlal Nehru Technological University Anantapur (JNTUA) curriculum and detained due to shortage of attendance at the end of the first semester shall join the autonomous batch of first semester. Such students shall study all the courses prescribed for the batch in which the student joins and considered on par with regular candidates of Autonomous stream and will be governed by the autonomous regulations.

A student who is following JNTUA curriculum, detained due to lack of credits or shortage of attendance at the end of the second semester or at the subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses will be offered in place of them as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be sum of the credits up to previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate seeks readmission and subsequent semesters under the autonomous stream. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.2 Transfer candidates (from non-autonomous college affiliated to JNTUA):

A student who is following JNTUA curriculum, transferred from other college to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses are offered in their place as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.3 Transfer candidates (from an autonomous college affiliated to JNTUA):

A student who has secured the required credits upto previous semesters as per the regulations of other autonomous institutions shall also be permitted to be transferred to this institute. A student who is transferred from the other autonomous colleges to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute subjects are offered in their place as decided by the Board of Studies. The

total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester as per the regulations of the college from which he is transferred and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

29.0 REVISION OF REGULATIONS AND CURRICULUM

The Institute from time to time may revise, amend or change the regulations, scheme of examinations and syllabi if found necessary and on approval by the Academic Council and the Governing Body shall come into force and shall be binding on the students, faculty, staff, all authorities of the Institute and others concerned.

MALPRACTICES RULES **DISCIPLINARY ACTION FOR / IMPROPER CONDUCT IN EXAMINATIONS**

| S.No | Nature of Malpractices/Improper conduct | Punishment |
|--------|--|---|
| | <i>If the candidate:</i> | |
| 1. (a) | Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination) | Expulsion from the examination hall and cancellation of the performance in that subject only. |
| (b) | Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter. | Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him. |
| 2. | Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the subject of the examination (theory or practical) in which the candidate is appearing. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that Semester/year. The Hall Ticket of the candidate is to be cancelled and sent to the Controller of Examinations. |
| 3. | Impersonates any other candidate in | The candidate who has impersonated shall |

| | | |
|----|---|---|
| | connection with the examination. | be expelled from examination hall. The candidate is also debarred and forfeits the seat. The performance of the original candidate, who has been impersonated, shall be cancelled in all the subjects of the examination (including practicals and project work) already appeared and shall not be allowed to appear for examinations of the remaining subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against him. |
| 4. | Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 5. | Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks. | Cancellation of the performance in that subject. |
| 6. | Refuses to obey the orders of the Controller of Examinations /Additional Controller of Examinations/any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the COE or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either | In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. The candidates also are debarred and forfeit their seats. In case of outsiders, they will be handed over to the |

| | | |
|--|--|--|
| | spoken or written or by signs or by visible representation, assaults the COE or any person on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the Institute premises or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination. | police and a police case is registered against them. |
| 7. | Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 8. | Possess any lethal weapon or firearm in the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| 9. | If student of the college, who is not a candidate for the particular examination or any person not connected with the college indulges in any malpractice or improper conduct mentioned in clause 6 to 8. | Student of the colleges expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| Person(s) who do not belong to the College | | |

| | | |
|-----|---|--|
| | | will be handed over to police and, a police case will be registered against them. |
| 10. | Comes in a drunken condition to the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. |
| 11. | Copying detected on the basis of internal evidence, such as, during valuation or during special scrutiny. | Cancellation of the performance in that subject and all other subjects the candidate has appeared including practical examinations and project work of that semester/year examinations. |
| 12. | If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment. | |

ITEM-VI

Review and Approval of MBA Academic Rules and Regulations of R18 Regulations.

Resolution No : 6/ACC-7

ACC has unanimously approved MBA Academic Rules and Regulations of R18 Regulations with the following suggestions.

For pursuing two year postgraduate Master Degree program of study in Business Management (MBA) offered by Audisankara College of Engineering & Technology under Autonomous status and herein after referred to as ASCET.

1.0 CHOICE BASED CREDIT SYSTEM

The Indian Higher Education Institutions (HEI's) are changing from the conventional course structure to Choice Based Credit System (CBCS) along with introduction to semester system at first year itself. The semester system helps in accelerating the teaching-learning process and enables vertical and horizontal mobility in learning.

The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.

Choice Based Credit System (CBCS) is a flexible system of learning and provides choice for students to select from the prescribed elective courses. A course defines learning objectives and learning outcomes and comprises of lectures / tutorials / laboratory work / field work / project work / comprehensive Examination / seminars / assignments / alternative assessment tools / presentations / self-study etc. or a combination of some of these.

Under the CBCS, the requirement for awarding a degree is prescribed in terms of number of credits to be completed by the students.

The CBCS permits students to:

- Choose electives from a wide range of elective courses offered by the departments.
- Undergo additional courses of interest.
- Adopt an interdisciplinary approach in learning.
- Make the best use of expertise of the available faculty.

2.0 ELIGIBILITY FOR ADMISSION

The total seats available as per the approved intake are grouped into two categories viz. category A and Category B with a ratio of 70:30 as per the state government guidelines vide G.O No.52.

2.1 The admissions for category A and B seats shall be as per the guidelines of Andhra Pradesh State Council for Higher Education (APSCHE) in consonance with government reservation policy.

- Under Category A: 70% of the seats are filled based on ICET ranks.
- Under Category B: 30% seats are filled on merit basis as per guidelines of APSCHE.

3.0 DURATION OF PROGRAMME

The course duration for the award of the Degree in **Master of Business Administration** will be two academic years, with two semesters in each year. However if a student is unable to complete the course within 2 years, he/ she can do so by giving more attempts but within 4 consecutive academic years from the date of admission.

Academic Calendar

For all the four semesters a common academic calendar shall be followed in each semester by having sixteen weeks of instruction, one week for the conduct of practical exams and with three weeks for theory examinations and evaluation. Dates for registration, sessional and end semester examinations shall be notified in the academic calendar of every semester. The schedule for the conduct of all the curricular and co-curricular activities shall be notified in the planner.

4.0 MEDIUM OF INSTRUCTION

The medium of instruction shall be English for all courses, examinations, seminar presentations and project work. The curriculum will comprise courses of study as given in course structure, in accordance with the prescribed syllabi.

5.0 SPECIALIZATIONS OF STUDY

- Master of Business Administration (MBA)

6.0 TYPES OF COURSES

Courses in a programme may be of four kinds: Core and Elective.

6.1 Core Course:

There may be a core course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

6.2 Elective Course:

Electives provide breadth of experience in respective branch and applications areas. Elective course is a course which can be chosen from a pool of courses. It may be:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

There shall be five professional core elective groups out of which students can choose not more than two courses from each group. Overall, students can opt for four professional elective courses which suit their project work in consultation with the faculty advisor/mentor. In addition, one course from each of the two open electives has to be selected. A student may also opt for more elective courses in his/her area of interest.

7.0 SEMESTER STRUCTURE

Each academic year is divided into two semesters, TWO being MAIN SEMESTERS (one odd + one even). Main Semesters are for regular class work. However, the following cases are exempted:

- 7.1 Students admitted on transfer from JNTUA affiliated institutes, Universities and other institutes in the subjects in which they are required to earn credits so as to be on par with regular students as prescribed by concerned 'Board of Studies'.
- 7.2 Each main semester shall be of 21 weeks (Table 1) duration and this period includes time for registration of courses, course work, examination preparation and conduct of examinations.
- 7.3 Each main semester shall have a minimum of 90 working days; out of which number of contact days for teaching / practical are 75 and 15 days for conduct of exams and preparation.
- 7.4 The academic calendar shown in Table 1 is declared at the beginning of the academic year.

Table 1: Academic Calendar

| | | | |
|---|--|---------|----------|
| FIRST SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation and Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Semester Break and Supplementary Examinations | | | 2 weeks |
| SECOND SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation & Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Summer Vacation and Supplementary Examinations | | | 8 weeks |

8.0 REGISTRATION

8.1 Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is absolutely compulsory for the student to register for courses in time. The registration will be organized departmentally under the supervision of the Head of the Department.

8.2 IN ABSENTIA registration will not be permitted under any circumstance.

8.3 At the time of registration, students should have cleared all the dues of Institute and Hostel in the previous semesters, paid the prescribed fees for the current semester and not been debarred from institute for a specified period on disciplinary or any other ground.

9.0 UNIQUE COURSE IDENTIFICATION CODE

Every course of the B.Tech program will be placed in one of the four groups of courses as listed in the Table 2. The various courses and their two-letter codes are given below;

Table 2: Group of Courses

| Sl. No. | Course Name | Code |
|---------|-----------------------------------|------|
| 1 | Master of Business Administration | MBA |

10.0 CURRICULUM AND COURSE STRUCTURE

The curriculum shall comprise Core Courses, Elective Core Courses, Laboratory Courses, Seminar, Rural Community Internship and Project Work.

Each Theory and Laboratory course carries credits based on the number of hours / week as follows:

- Lecture Hours (Theory): 1 credit per lecture hour per week.
- Laboratory Hours (Practical): 1 credit for 2 practical hours, 2 credits for 3 or 4 practical hours per week.
- Project Work: 1 credit for 2 hours of project work per week.

10.1

Credit distribution for courses offered is shown in Table 3.

Table 3: Credit distribution

| Sl. No. | Courses | Hours | Credit |
|---------|-----------------------|-------|--------|
| 1 | Courses | 4 | 4 |
| 2 | Elective Courses | 4 | 4 |
| 3 | Laboratory Courses | 4 | 2 |
| 4 | Community Internship | 8 | 4 |
| 5 | Seminar | 4 | 2 |
| 6 | Project Work Phase-I | 20 | 10 |
| 7 | Project Work Phase-II | 32 | 16 |

10.2 For two year regular programme :

| Course | No. of Theory Courses | No. of Electives | Credits |
|------------------|--|--|---------|
| MBA I Semester | 6 Core | 1 | 26 |
| MBA II Semester | 6 Core | 1 | 26 |
| MBA III Semester | 2 Core + Elective-I, II, III & IV | Rural Community Internship | 28 |
| MBA IV Semester | 2 Core + Elective-V & VI | Seminar + Project Work | 28 |
| Total | 4 Core + Elective-I + Elective-II + Research Methodology & IPR + Elective-III + Elective-IV + Open Elective + Elective-V | 4 + Term Paper + Project Work Phase-I + Project Work Phase-II | 108 |

10.3 Course wise break-up for Regular program:

| | | |
|---|--------------------|------------|
| Total Theory Courses (22) Core Courses (16) + Professional Core Electives (06) | 22 @ 4credits | 88 |
| Laboratory Courses – 2 | 2 @ 2 credits each | 4 |
| Rural Community Internship | 1 @ 4 credit | 4 |
| Seminar | 1 @ 2 credit | 2 |
| Project Work Phase-II | 1 @ 10 credits | 10 |
| TOTAL CREDITS | | 108 |

11.0 DIVISION OF MARKS FOR INTERNAL AND EXTERNAL ASSESSMENT

| Division of Marks for Internal and External Assessment | | |
|--|----|-----|
| Theory | 40 | 60 |
| Laboratory | 25 | 50 |
| Rural Community Internship | 40 | 60 |
| Seminar | 50 | - |
| Project Work | 80 | 120 |

12.0 EVALUATION METHODOLOGY

The performance of a student in each semester shall be evaluated through Continuous Internal Assessment (CIA) and / or an Semester End Examination (SEE) conducted semester wise.

12.1 Theory Course:

The performance of a student in every theory course shall be evaluated for total of 100 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 40 marks and 60 marks respectively.

12.2 Practical Course:

The performance of a student in every practical course shall be evaluated for total of 75 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 25 marks and 50 marks respectively.

12.3 Internal Evaluation for Theory Course:

The total internal weightage for theory courses is 40 marks with the following distribution.

- 30 marks for Mid-Term Examination
- 10 marks for Assignment Test

While the first mid-term examination shall be conducted on the 50% of the syllabus (Unit-I, Unit-II, & 50% of Unit-III), the second mid-term examination shall be conducted on the remaining 50% of the syllabus (50 % of Unit III, Unit-IV & Unit-V).

10 marks are allocated for assignment test (as specified by the subject teacher concerned). The first assignment should be conducted after completion of Unit-I & II for 5 marks and the second assignment should be conducted after completion of Unit-III & IV for 5 marks. The final Assignment Test marks will be the addition of these two.

Two midterm examinations each for 30 marks with the duration of 90 minutes each will be conducted for every theory course in a semester. The midterm examination marks shall be awarded giving a weightage of 80% in the midterm examination in which the student scores better performance and 20% in the remaining midterm examination.

The final mid-term marks obtain by the addition of these two (80% + 20%).

Example: If a student scores 33 marks and 34 marks in the first and second mid-term examinations respectively, then Weighted Average Marks = $34 \times 0.8 + 33 \times 0.2 = 33.8$, rounded to 34 Marks.

Note: The marks of any fraction shall be rounded off to the next higher mark.

12.4 Pattern of the midterm examination question paper is as follows:

- A total of three questions
- Question paper contains six questions are to be designed taking three questions from each unit (Unit Wise - Either or type) of the three units. (3X10=30 Marks)

Pattern of the Assignment Test is as follows:

- Five assignment questions are given in advance, out of which two questions given by the concerned teacher has to be answered during the assignment test
- Sum of Assignment Tests marks is considered.

Note: A student who is absent for any Mid-Term Examination/ Assignment Test, for any reason whatsoever, shall be deemed to have scored zero marks in that Mid-Term Examination/ Assignment Test and no make-up test shall be conducted.

12.5 Internal Evaluation for Practical Course:

For practical subjects there shall be a Continuous Internal Evaluation during the semester for 25 internal marks. Out of the 25 marks for internal evaluation, day-today assessment in the laboratory shall be evaluated for 10 marks and internal practical

examination shall be evaluated for 15 marks conducted by the laboratory teacher concerned.

12.6 Internal Evaluation for Rural Community Internship:

There shall be 60 hours duration to complete rural community internship during summer vacations. The total internal weightage for internship course is 40 marks and will be evaluated based on day to day assessment by concern industry.

12.7 Internal Evaluation for Seminar:

There shall be a seminar presentation in IV Semester. A Seminar shall have two components, one chosen by the student from the course work as an extension and approved by the faculty supervisor. The other component is suggested by the supervisor and can be a reproduction of the concept in any standard research paper or an extension of concept from earlier course work. A hard copy of the information on seminar topic in the form of a report is to be submitted for evaluation along with presentation. The presentation of the seminar topics shall be made before a committee consisting of Head of the department, seminar supervisor and a senior faculty member. Each Seminar shall be evaluated for 50 marks. Seminar component-I for 25 marks and component-II for 25 marks making total 50 marks. (Distribution of marks for 25: 5 marks for report, 5 marks for subject content, 10 marks for presentation and 5 marks for queries).

12.8 Internal Evaluation for Project Work:

Out of a total of 200 marks for the project work, 80 marks shall be for Internal Evaluation and 120 marks for the End Semester Examination. The End Semester Examination (viva-voce) shall be conducted by an External examiner nominated by the Principal, HOD & Supervisor as a committee. The Internal Evaluation shall be made by the departmental committee, on the basis of two seminars given by each student on the topic of his project.

12.9 External Evaluation for Theory Course - Semester End Examination:

The Semester End Examination in each theory subject shall be conducted for 3 hours duration at the end of the semester for 60 marks.

Pattern of the Semester End Examination question paper is as follows:

- Question Paper contains ten questions are to be designed taking two questions from each unit (Unit Wise - Either or type) of the total five units. (5X12=60 Marks)

A student has to secure not less than a minimum of 40% of marks (24 marks) exclusively at the Semester End Examinations in each of the theory subjects in which the candidate had appeared. However, the candidate shall have to secure a minimum of 50% of marks (50 marks) in both external and internal components put together to become eligible for passing in the subject.

The emphasis on the questions is broadly based on the following criteria:

| | |
|------|--|
| 50 % | To test the objectiveness of the concept |
| 30 % | To test the analytical skill of the concept |
| 20 % | To test the application skill of the concept |

12.10 External Evaluation for Practical Course:

Out of 50 marks 35 marks are allocated for experiment (procedure for conducting the experiment carries 15 marks & readings, calculation and result-20) and 10 marks for viva-voce examination with 5 marks for the record.

Each Semester External Lab Examination shall be evaluated by an Internal Examiner along with an External Examiner appointed by the Principal.

A candidate shall be declared to have passed in individual lab course if he secures a minimum of 50% aggregate marks (38 marks) (Internal & Semester External

Examination marks put together), subject to a minimum of 50% marks (25 marks) in the semester external examination.

12.11 External Evaluation for Rural Community Internship:

There shall be 60 hours duration to complete summer internship during summer vacations. The total internal weightage for internship course is 40 marks and will be evaluated based on day to day assessment by concern industry.

The external examination shall be evaluated by the two senior faculties (i.e one faculty act as external examiner and other one as internal examiner) for 60 marks based on the his/her report and presentation.

12.12 External Evaluation for Project Work:

The Semester End Examination for project work done during IV Semester for 120 marks shall be conducted by a Project Review Committee (PRC).

A candidate shall be declared to have passed in project work if he secures a minimum of 50% aggregate marks (100 marks) (Internal & Semester External Examination marks put together), subject to a minimum of 50% marks (60 marks) in the project work end examination. The External examiner is appointed by the Principal.

Every candidate shall be required to submit thesis or dissertation after taking up a topic approved by the college/ institute.

- Registration of Project work: A candidate is permitted to register for the project work after satisfying the attendance requirement of all the courses (theory and practical courses of I, II and III Sem)
- An Internal Departmental Committee (I.D.C) consisting of HOD, Supervisor and one internal senior expert shall monitor the progress of the project work.
- The candidate can submit Project thesis with the approval of I.D.C. at the end of the IV semester Instruction as per the schedule. Extension of time within the total permissible limit for completing the programme is to be obtained from the Head of the Institution.
- The student must submit status report at least in two different phases during the project work period. These reports must be approved by the I.D.C before submission of the Project Report.
- The viva-voce examination may be conducted for all the candidates as per the IV semester examination schedule.
- Three copies of the Thesis / Dissertation certified in the prescribed form by the supervisor & HOD shall be presented to the H.O.D.
- The HOD shall submit a panel of three experts for a maximum of every 5 students. However, the viva voce examiners will be nominated by the Principal.

12.13 Re-Registration For Improvement of Internal Evaluation Marks:

Following are the conditions to avail the benefit of improvement of internal evaluation marks.

- ❖ The candidate should have completed the course work and obtained examinations results for I, II, III & IV semesters.
- ❖ He should have passed all the subjects for which the internal evaluation marks secured are more than 50%.
- ❖ Out of the subjects the candidate has failed in the examination due to Internal evaluation marks secured being less than 50%, the candidate shall be given one more chance for each Theory subject and for a maximum of three Theory subjects for Improvement of Internal evaluation marks.
- ❖ The candidate has to re-register for the subjects so chosen and fulfill all the

academic requirements.

- ❖ For each subject, the candidate has to pay a fee equivalent to one third of the semester tuition fee and the amount is to be remitted in the form of D.D. in favour of '**The Principal, Audisankara College of Engineering & Technology**' payable at Gudur along with the requisition through the Controller of the Examinations of the college.
- ❖ In the event of availing the Improvement of Internal evaluation marks, the internal evaluation marks as well as the End Examinations marks secured in the previous attempt(s) for the reregistered subjects stand cancelled.

13.0 GRADING PROCEDURE

Grades will be awarded to indicate the performance of students in each theory subject, laboratory / practicals, Term Paper, Project Work Phase-I and Project Work Phase-II. Based on the percentage of marks obtained (Continuous Internal Evaluation plus Semester End Examination, both taken together) as specified in item 11 above, a corresponding letter grade shall be given.

13.1 As a measure of the performance of a student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed:

| Grade Scale | | |
|-------------|---------------|----|
| 91-100 | S (Superior) | 10 |
| 81-90 | A (Excellent) | 9 |
| 70-80 | B (Very Good) | 8 |
| 60-69 | C (Good) | 7 |
| 55-59 | D (Average) | 6 |
| 50-54 | E (Pass) | 5 |
| <50 | F (FAIL) | 0 |
| Ab (Absent) | Ab | 0 |

13.2 A student who has obtained an 'F' grade in any subject shall be deemed to have 'failed' and is required to reappear as a 'supplementary student' in the semester end examination, as and when offered. In such cases, internal marks in those subjects will remain the same as those obtained earlier

13.3 To a student who has not appeared for an examination in any subject, 'Ab' grade will be allocated in that subject, and he is deemed to have 'failed'. A student will be required to reappear as a 'supplementary student' in the semester end examination, as and when offered next. In this case also, the internal marks in those subjects will remain the same as those obtained earlier.

13.4 A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

13.5 A student earns grade point (GP) in each subject/ course, on the basis of the letter grade

secured in that subject/ course. The corresponding 'credit points' (CP) are computed by multiplying the grade point with credits for that particular subject/ course.

Credit points (CP) = grade point (GP) x credits For a course

13.6 A student passes the subject/ course only when $GP \geq 5$ ('E' grade or above)

13.7

- A student obtaining Grade F shall be considered failed and will be required to reappear for that subject when the next supplementary examination offered.
- For Mandatory courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

13.8 **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):**

iii. The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

iv. The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where " S_i " is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

vii. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

viii. While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D, E and F.

Example: Computation of SGPA and CGPA

Illustration for SGPA

| Course | Credits | Grade | Grade Points | Grade Points x Credits |
|------------|---------|-------|--------------|------------------------|
| Course-I | 3 | S | 10 | $3 \times 10 = 30$ |
| Course-II | 3 | A | 9 | $3 \times 9 = 27$ |
| Course-III | 3 | B | 8 | $3 \times 8 = 24$ |
| Course-IV | 3 | D | 6 | $3 \times 6 = 18$ |
| Course-V | 2 | B | 8 | $2 \times 8 = 16$ |
| Course-VI | 1 | C | 7 | $1 \times 7 = 7$ |
| | 15 | | | 122 |

$$\text{Thus, SGPA} = \frac{122}{15} = 8.13$$

Illustration for CGPA

| Credit: 26 | Credit: 26 | Credit: 28 | Credit: 28 |
|------------|------------|------------|------------|
| SGPA: 8.13 | SGPA: 6.9 | SGPA: 7.3 | SGPA: 6.8 |

$$\text{Thus, CGPA} = \frac{(26 \times 8.13) + (26 \times 6.9) + (28 \times 7.3) + (26 \times 6.8)}{108} \\ = 7.14$$

14.0 AWARD OF CLASS

14.1 After a student has satisfied the requirement prescribed for the completion of the program and is eligible for the award of MBA Degree he/she shall be placed in one of the following four classes:

| CGPA \geq 7.5 | CGPA \geq 6.5 and $<$ 7.5 | CGPA \geq 5.5 and $<$ 6.5 | CGPA \geq 5.0 and $<$ 5.5 | CGPA $<$ 5.0 |
|------------------------------|-----------------------------|-----------------------------|-----------------------------|--------------|
| First Class with Distinction | First Class | Second Class | Pass Class | Fail |

A student with final CGPA is $<$ 5.00 will not be eligible for the Award of the Degree.

15.0 CONDUCT OF SEMESTER END EXAMINATIONS AND EVALUATION

15.1 Semester end examination shall be conducted by the Controller of Examinations (COE) by inviting Question Papers from the External Examiners

15.2 Question papers may be moderated for the coverage of syllabus, pattern of questions by a Semester End Examination Committee chaired by CoE and senior subject expert before the commencement of semester end examinations. Internal Examiner shall prepare a detailed scheme of valuation.

15.3 The answer papers of semester end examination should be evaluated by the first examiner immediately after the completion of exam and the award sheet should be submitted to CoE in a sealed cover before the same papers are kept for second evaluation by external examiner.

15.4 In case of difference is more than 15% of marks, the answer paper shall be re-evaluated by a third examiner appointed by the Examination Committee and the marks awarded by third examiner is compared with first and second evaluation marks and higher marks of minimum difference pair will be considered as final marks.

15.5 CoE shall invite required number of external examiners to evaluate all the end-semester answer scripts on a prescribed date(s). Practical laboratory exams are conducted involving external examiners.

15.6 Examinations Control Committee shall consolidate the marks awarded by both the examiners and award grades.

16.0 SUPPLEMENTARY EXAMINATIONS

Apart from the regular End Examinations the institute may also schedule and conduct supplementary examinations for all subjects for the benefit of students with backlogs. Such students writing supplementary examinations as supplementary candidates may have to write more than one examination per day.

17.0 ATTENDANCE REQUIREMENTS AND DETENTION POLICY

17.1 A candidate shall put in a minimum required attendance of 75 % in that semester. Otherwise, s/he shall be declared detained and has to repeat semester.

17.2 For cases of medical issues, deficiency of attendance in a semester to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of Head of the department if their attendance is between 75% and 65% in a semester, subjected to submission of medical certificates, medical case file and other useful documents to the concerned departments. The condonation is permitted maximum of two times during the entire course of study.

17.3 A prescribed fee shall be payable towards condonation of shortage of attendance.

17.4 A student shall not be promoted to the next semester unless he/she satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that semester when offered next. If any candidate fulfills the attendance requirement in the present semester, he/she shall not be eligible for readmission into the same class.

17.5 Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

18.0 PROMOTION POLICIES

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no. 17.

18.1 A student shall register and put up minimum attendance in all 78 credits and earn all the 78 credits. Marks obtained in all 78 credits shall be considered for the calculation of aggregate percentage of marks obtained.

19.0 GRADUATION REQUIREMENTS

The following academic requirements shall be met for the award of the M.Tech degree.

19.1 Student shall register and acquire minimum attendance in all courses and secure 78 credits for regular program and 78 credits for lateral entry program.

19.2 A student of a regular program, who fails to earn 78 credits within eight consecutive academic years from the year of his/her admission with a minimum CGPA of 5.0, shall forfeit his/her degree and his/her admission stands cancelled.

20.0 REVALUATION

A student, who seeks the re-evaluation of the answer script, is directed to apply for the photocopy of his/her semester examination answer paper(s) in the theory course(s), within 5 working days from the declaration of results in the prescribed format with prescribed fee to the Controller of Examinations through the Head of the department. On receiving the photocopy, the student can consult with a competent member of faculty and seek the opinion for revaluation. Based on the recommendations, the student can register for the revaluation with prescribed fee. The Controller of Examinations shall arrange for the revaluation and declare the results. Revaluation is not permitted to the courses other than theory courses.

21.0 TEMPORARY BREAK OF STUDY FROM THE PROGRAMME

21.1 A candidate is normally not permitted to break the study. However, if a candidate intends to temporarily discontinue the program in the middle for valid reasons (such as

accident or hospitalization due to prolonged ill health) and to rejoin the program after the break from the commencement of the respective semester as and when it is offered, s/he shall apply to the Principal in advance. Such application shall be submitted before the commencement of the semester in question and forwarded through the Head of the department stating the reasons for such withdrawal together with supporting documents and endorsement of his / her parent / guardian.

21.2 The institute shall examine such an application and if it finds the case to be genuine, it may permit the student to rejoin. Such permission is accorded only to those who do not have any outstanding dues like tuition fee etc.

21.3 The total period for completion of the program reckoned from the commencement of the semester to which the candidate was first admitted shall not exceed the maximum period specified in clause 19.0. The maximum period includes the break period.

22.0 TERMINATION FROM THE PROGRAMME

The admission of a student to the program may be terminated and the student is asked to leave the institute in the following circumstances:

22.1 The student fails to satisfy the requirements of the program within the maximum period stipulated for that program.

22.2 A student shall not be permitted to study any semester more than three times during the entire Program of study.

22.3 The student fails to satisfy the norms of discipline specified by the institute from time to time.

23.0 WITH-HOLDING OF RESULTS

If the candidate has any dues not paid to the institute or if any case of indiscipline or malpractice is pending against him/her, the result of the candidate shall be withheld and he/she will not be allowed / promoted into the next higher semester. The issue of awarding degree is liable to be withheld in such cases.

24.0 STUDENT TRANSFERS

Student transfers shall be as per the guidelines issued by the Government of Andhra Pradesh from time to time.

25.0 GRADUATION DAY

The institute shall have its own annual Graduation Day for the award of Degrees to students completing the prescribed academic requirements in each case, in consultation with the University and by following the provisions in the Statute. The college shall institute prizes and medals to meritorious students and award them annually at the Graduation Day. This will greatly encourage the students to strive for excellence in their academic work.

26.0 CONDUCT AND DISCIPLINE

- Students shall conduct themselves within and outside the premises of the Institute in a decent and dignified manner befitting the students of Audisankara College of Engineering & Technology.
- As per the order of the Honorable Supreme Court of India, ragging in any form is considered a criminal offence and is totally banned. Any form of ragging will be severely dealt with the following acts of omission and / or commission shall constitute gross violation of the code of conduct and are liable to invoke disciplinary measures with regard to ragging.
- (v) Lack of courtesy and decorum; indecent behavior anywhere within or outside the college campus.

(vi) Damage of college property or distribution of alcoholic drinks or any kind of narcotics to fellow students / citizens.

- Possession, consumption or distribution of alcoholic drinks or any kind of narcotics or hallucinogenic drugs.
- Mutilation or unauthorized possession of library books.
- Noisy and unruly behavior, disturbing studies of fellow students.
- Hacking in computer systems (such as entering into other person's areas without prior permission, manipulation and / or damage of computer hardware and software or any other cyber crime etc.
- Usage of camera /cell phones in the campus.
- Plagiarism of any nature.
- Any other act of gross indiscipline as decided by the college academic council from time to time.
- Commensurate with the gravity of offense, the punishment may be reprimand, fine, expulsion from the institute/ hostel, debarring from examination, disallowing the use of certain facilities of the Institute, rustication for a specified period or even outright expulsion from the Institute, or even handing over the case to appropriate law enforcement authorities or the judiciary, as required by the circumstances.
- For an offence committed in (i) a hostel (ii) a department or in a class room and (iii) elsewhere, the chief Warden, the concern Head of the Department and the Principal respectively, shall have the authority to reprimand or impose fine.
- Cases of adoption of unfair means and/ or any malpractice in an examination shall be reported to the principal for taking appropriate corrective action.
- All cases of serious offence, possibly requiring punishment other than reprimand, shall be reported to the Academic council of the college.
- The Institute Level Standing Disciplinary Action Committee constituted by the academic council shall be the authority to investigate the details of the offence, and recommend disciplinary action based on the nature and extent of the offence committed.
- The Principal shall deal with any problem, which is not covered under these rules and regulations.

27.0 GRIEVANCE REDRESSAL COMMITTEE

Grievance and Redressal Committee constituted by the Principal shall deal with all grievances pertaining to the academic / administrative / disciplinary matters. All the students must abide by the code and conduct rules prescribed by the college from time to time.

28.0 TRANSITORY REGULATIONS

Required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption will be given to those candidates who have already passed such courses in the earlier semester(s) s/he was originally admitted into and substitute subjects are offered in place of them as decided by the Board of Studies. However, the decision of the Board of Studies will be final.

28.1 Transfer candidates (from non-autonomous college affiliated to JNTUA):
A student who is following JNTUA curriculum, transferred from other college to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses are offered in their place as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.2 Transfer candidates (from an autonomous college affiliated to JNTUA):
A student who has secured the required credits upto previous semesters as per the regulations of other autonomous institutions shall also be permitted to be transferred to this institute. A student who is transferred from the other autonomous colleges to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute subjects are offered in their place as decided by the Board of Studies. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester as per the regulations of the college from which he is transferred and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

29.0 REVISION OF REGULATIONS AND CURRICULUM
The Institute from time to time may revise, amend or change the regulations, scheme of examinations and syllabi if found necessary and on approval by the Academic Council and the Governing Body shall come into force and shall be binding on the students, faculty, staff, all authorities of the Institute and others concerned.

MALPRACTICES RULES

DISCIPLINARY ACTION FOR / IMPROPER CONDUCT IN EXAMINATIONS

| S.No | Nature of Malpractices/Improper conduct | Punishment |
|--------|--|---|
| | <i>If the candidate:</i> | |
| 1. (a) | Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination) | Expulsion from the examination hall and cancellation of the performance in that subject only. |
| (b) | Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter. | Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him. |
| 2. | Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the subject of the examination (theory or practical) in which the candidate is appearing. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that Semester/year. The Hall Ticket of the candidate is to be cancelled and sent to the Controller of Examinations. |
| 3. | Impersonates any other candidate in connection with the examination. | The candidate who has impersonated shall be expelled from examination hall. The candidate is also debarred and forfeits the seat. The performance of the original candidate, who has been impersonated, shall be cancelled in all the subjects of the examination (including practicals and project work) already appeared and shall not be allowed to appear for examinations of the remaining subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against |

| | | |
|----|--|--|
| | | him. |
| 4. | Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 5. | Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks. | Cancellation of the performance in that subject. |
| 6. | Refuses to obey the orders of the Controller of Examinations /Additional Controller of Examinations/any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the COE or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the COE or any person on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the Institute premises or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination. | In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. The candidates also are debarred and forfeit their seats. In case of outsiders, they will be handed over to the police and a police case is registered against them. |
| 7. | Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work |

| | | |
|-----|---|---|
| | | and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 8. | Possess any lethal weapon or firearm in the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| 9. | If student of the college, who is not a candidate for the particular examination or any person not connected with the college indulges in any malpractice or improper conduct mentioned in clause 6 to 8. | Student of the college's expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| | | Person(s) who do not belong to the College will be handed over to police and, a police case will be registered against them. |
| 10. | Comes in a drunken condition to the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. |
| 11. | Copying detected on the basis of internal evidence, such as, during valuation or during special scrutiny. | Cancellation of the performance in that subject and all other subjects the candidate has appeared including practical examinations and project work of that semester/year examinations. |
| 12. | If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment. | |

ITEM-VII

Review and Approval of MCA Academic Rules and Regulations of R18 Regulations.

Resolution No : 7/ACC-7

ACC has unanimously approved MCA Academic Rules and Regulations of R18 Regulations with the following suggestions.

For pursuing three year postgraduate Master Degree program of study in Computer of Applications offered by Audisankara College of Engineering & Technology under Autonomous status and herein after referred to as ASCET.

1.0 CHOICE BASED CREDIT SYSTEM

The Indian Higher Education Institutions (HEI's) are changing from the conventional course structure to Choice Based Credit System (CBCS) along with introduction to semester system at first year itself. The semester system helps in accelerating the teaching-learning process and enables vertical and horizontal mobility in learning.

The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.

Choice Based Credit System (CBCS) is a flexible system of learning and provides choice for students to select from the prescribed elective courses. A course defines learning objectives and learning outcomes and comprises of lectures / tutorials / laboratory work / field work / project work / comprehensive Examination / seminars / assignments / alternative assessment tools / presentations / self-study etc. or a combination of some of these.

Under the CBCS, the requirement for awarding a degree is prescribed in terms of number of credits to be completed by the students.

The CBCS permits students to:

- Choose electives from a wide range of elective courses offered by the departments.
- Undergo additional courses of interest.
- Adopt an interdisciplinary approach in learning.
- Make the best use of expertise of the available faculty.

2.0 ELIGIBILITY FOR ADMISSION

The total seats available as per the approved intake are grouped into two categories viz. category A and Category B with a ratio of 70:30 as per the state government guidelines vide G.O No.52.

2.1 The admissions for category A and B seats shall be as per the guidelines of Andhra Pradesh State Council for Higher Education (APSCHE) in consonance with government reservation policy.

- Under Category A: 70% of the seats are filled based on GATE/PGECET ranks..
- Under Category B: 30% seats are filled on merit basis as per guidelines of APSCHE.

3.0 DURATION OF PROGRAMME

The course duration for the award of the Degree in **Master of Computer Applications** will be two academic years, with two semesters in each year. However if a student is unable to complete the course within 3 years, he/ she can do so by giving more attempts but within 6 consecutive academic years from the date of admission.

Academic Calendar

For all the six semesters a common academic calendar shall be followed in each semester by having sixteen weeks of instruction, one week for the conduct of practical exams and with three weeks for theory examinations and evaluation. Dates for registration, sessional and end semester examinations shall be notified in the academic calendar of every semester. The schedule for the conduct of all the curricular and co-curricular activities shall be notified in the planner.

4.0 MEDIUM OF INSTRUCTION

The medium of instruction shall be English for all courses, examinations, seminar presentations and project work. The curriculum will comprise courses of study as given in course structure, in accordance with the prescribed syllabi.

5.0 SPECIALIZATIONS OF STUDY

- Master of Computer Applications (MCA)

6.0 TYPES OF COURSES

Courses in a programme may be of four kinds: Core and Elective.

6.1 Core Course:

There may be a core course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

6.2 Elective Course:

Electives provide breadth of experience in respective branch and applications areas. Elective course is a course which can be chosen from a pool of courses. It may be:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

There shall be five professional core elective groups out of which students can choose not more than two courses from each group. Overall, students can opt for four

professional elective courses which suit their project work in consultation with the faculty advisor/mentor. In addition, one course from each of the two open electives has to be selected. A student may also opt for more elective courses in his/her area of interest.

6.3 Activity Point Programme (APP):

For Activity Point Programme (APP) courses like Soft Skills Practice, Communication Skills Practice, Quantitative Aptitude and Technical Aptitude, a student has to secure 40 marks out of 100 marks (i.e 40% of the marks allotted) in the continuous internal evaluation for passing the subject/course. For APP courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

6.4 Mandatory/ Non-credit Courses Marks/Grade:

No marks or letter grade shall be allotted for all mandatory/non-credit courses.

7.0 SEMESTER STRUCTURE

Each academic year is divided into two semesters, TWO being MAIN SEMESTERS (one odd + one even). Main Semesters are for regular class work. However, the following cases are exempted:

- 7.1 Students admitted on transfer from JNTUA affiliated institutes, Universities and other institutes in the subjects in which they are required to earn credits so as to be on par with regular students as prescribed by concerned 'Board of Studies'.
- 7.2 Each main semester shall be of 21 weeks (Table 1) duration and this period includes time for registration of courses, course work, examination preparation and conduct of examinations.
- 7.3 Each main semester shall have a minimum of 90 working days; out of which number of contact days for teaching / practical are 75 and 15 days for conduct of exams and preparation.
- 7.4 The academic calendar shown in Table 1 is declared at the beginning of the academic year.

Table 1: Academic Calendar

| | | | |
|---|--|---------|-----------------|
| FIRST SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation and Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Semester Break and Supplementary Examinations | | | 2 weeks |
| SECOND SEMESTER (21 weeks) | I Spell Instruction Period | 8 weeks | 19 weeks |
| | I Mid Examinations | 1 week | |
| | II Spell Instruction Period | 8 weeks | |
| | II Mid Examinations | 1 week | |
| | Preparation & Practical Examinations | 1 week | |
| | Semester End Examinations | 2 weeks | |
| Summer Vacation and Supplementary Examinations | | | 8 weeks |

8.0 REGISTRATION

8.1 Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is absolutely compulsory for the student to register for courses in time. The registration will be organized departmentally under the supervision of the Head of the Department.

8.2 IN ABSENTIA registration will not be permitted under any circumstance.

8.3 At the time of registration, students should have cleared all the dues of Institute and Hostel in the previous semesters, paid the prescribed fees for the current semester and not been debarred from institute for a specified period on disciplinary or any other ground.

9.0 UNIQUE COURSE IDENTIFICATION CODE

Every course of the MCA program will be placed in one of the four groups of courses as listed in the Table 2. The various courses and their two-letter codes are given below;

Table 2: Group of Courses

| Group | Course | Code |
|-------|---------------------------------|------|
| 1 | Master of Computer Applications | MCA |

10.0 CURRICULUM AND COURSE STRUCTURE

The curriculum shall comprise Core Courses, Elective Core Courses, Laboratory Courses, Term Paper, Project Work Phase-I and Project Work Phase-II.

Each Theory and Laboratory course carries credits based on the number of hours / week as follows:

- Lecture Hours (Theory): 1 credit per lecture hour per week.
- Laboratory Hours (Practical): 1 credit for 2 practical hours, 2 credits for 3 or 4 practical hours per week.
- Seminar 2 hours per week
- Project Work: Full Semester Project Work for 10 credits

10.1 Credit distribution for courses offered is shown in Table 3.

Table 3: Credit distribution

| 1 | Courses | 4 | 4 |
|---|-------------------------------|----|----|
| 2 | Elective Courses | 4 | 4 |
| 3 | Laboratory Courses | 4 | 2 |
| 4 | Term Paper | 4 | 2 |
| 5 | Project Work | 20 | 10 |
| 6 | Skills Practice | 2 | 0 |
| 7 | Communication Skills Practice | 2 | 0 |
| 8 | Initiative Aptitude | 2 | 0 |
| 9 | Technical Aptitude | 2 | 0 |

10.2

| MCA Semester | | Core Courses | Credit |
|------------------|---|-----------------------------|--------|
| MCA I Semester | 5 Core | 2 | 24 |
| MCA II Semester | 5 Core | 2 | 24 |
| MCA III Semester | 5 Core | 2 | 24 |
| MCA IV Semester | 3 Core + Elective-I + Elective-II | 2 | 24 |
| MCA V Semester | 3 Core + Elective-III + Elective-IV | 2 + Seminar | 26 |
| MCA VI Semester | 0 | Project Work | 10 |
| Total | 21 Core + Elective-I + Elective-II + Elective-III + Elective-IV | 10 + Seminar + Project Work | 132 |

10.3 Course wise break-up for Regular program:

| | | |
|--|--------------------------------|------------|
| Total Theory Courses (25) Core Courses (21)+Professional Core Electives (04) | 21 @ 4credits + 04 @ 4 credits | 100 |
| Laboratory Courses – 10 | 10 @ 2 credits each | 20 |
| Seminar | 1 @ 2 credits | 2 |
| Project Work | 1 @ 16 credits | 10 |
| TOTAL CREDITS | | 132 |

11.0 DIVISION OF MARKS FOR INTERNAL AND EXTERNAL ASSESSMENT

| Division of Marks for Internal and External Assessment | | |
|--|-------|----|
| Theory | 40 | 60 |
| Laboratory | 25 | 50 |
| Seminar | 50 | - |
| Project Work | Grade | |

12.0 EVALUATION METHODOLOGY

The performance of a student in each semester shall be evaluated through Continuous Internal Assessment (CIA) and / or an Semester End Examination (SEE) conducted semester wise.

12.1 Theory Course:

The performance of a student in every theory course shall be evaluated for total of 100 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 40 marks and 60 marks respectively.

12.2 Practical Course:

The performance of a student in every practical course shall be evaluated for total of 75 marks each, of which the relative weightage for Continuous Internal Assessment and Semester End Examination shall be 25 marks and 50 marks respectively.

12.3 Internal Evaluation for Theory Course:

The total internal weightage for theory courses is 40 marks with the following distribution.

- 30 marks for Mid-Term Examination
- 10 marks for Assignment Test

While the first mid-term examination shall be conducted on the 50% of the syllabus (Unit-I, Unit-II, & 50% of Unit-III), the second mid-term examination shall be conducted on the remaining 50% of the syllabus (50 % of Unit III, Unit-IV & Unit-V).

10 marks are allocated for assignment test (as specified by the subject teacher concerned). The first assignment should be conducted after completion of Unit-I & II for 5 marks and the second assignment should be conducted after completion of Unit-III & IV for 5 marks. The final Assignment Test marks will be the addition of these two.

Two midterm examinations each for 30 marks with the duration of 90 minutes each will be conducted for every theory course in a semester. The midterm examination marks shall be awarded giving a weightage of 80% in the midterm examination in which the student scores better performance and 20% in the remaining midterm examination.

The final mid-term marks obtain by the addition of these two (80% + 20%).

Example: If a student scores 33 marks and 34 marks in the first and second mid-term examinations respectively, then Weighted Average Marks = $34 \times 0.8 + 33 \times 0.2 = 33.8$, rounded to 34 Marks.

Note: The marks of any fraction shall be rounded off to the next higher mark.

12.4 Pattern of the midterm examination question paper is as follows:

- A total of three questions
- Question paper contains six questions are to be designed taking three questions from each unit (Unit Wise - Either or type) of the three units. (3X10=30 Marks)

Pattern of the Assignment Test is as follows:

- Five assignment questions are given in advance, out of which two questions given by the concerned teacher has to be answered during the assignment test
- Sum of Assignment Tests marks is considered.

Note: A student who is absent for any Mid-Term Examination/ Assignment Test, for any reason whatsoever, shall be deemed to have scored zero marks in that Mid-Term Examination/ Assignment Test and no make-up test shall be conducted.

Internal Evaluation for Practical Course:

12.5 For practical subjects there shall be a Continuous Internal Evaluation during the semester for 25 internal marks. Out of the 25 marks for internal evaluation, day-today assessment in the laboratory shall be evaluated for 10 marks and internal practical examination shall be evaluated for 15 marks conducted by the laboratory teacher concerned.

12.6 Internal Evaluation for Seminar:

There shall be a Seminar presentation in V Semester. A Seminar shall have two components, one chosen by the student from the course work as an extension and approved by the faculty supervisor. The other component is suggested by the supervisor and can be a reproduction of the content in any standard research paper or an extension

of concept from earlier course work. A hard copy of the information on seminar topic in the form of a report is to be submitted for evaluation along with presentation. The presentation of the seminar topics shall be made before a committee consisting of Head of the department, seminar supervisor and a senior faculty member. Each Seminar shall be evaluated for 50 marks. Seminar component-I for 25 marks and component-II for 25 marks making total 50 marks. (**Distribution of marks for 25: 5 marks for report, 5 marks for subject content, 10 marks for presentation and 5 marks for queries**).

12.7 External Evaluation for Theory Course - Semester End Examination:

The Semester End Examination in each theory subject shall be conducted for 3 hours duration at the end of the semester for 60 marks.

Pattern of the Semester End Examination question paper is as follows:

- Question Paper contains ten questions are to be designed taking two questions from each unit (Unit Wise - Either or type) of the total five units. (5X12=60 Marks)

A student has to secure not less than a minimum of 40% of marks (24 marks) exclusively at the Semester End Examinations in each of the theory subjects in which the candidate had appeared. However, the candidate shall have to secure a minimum of 50% of marks (50 marks) in both external and internal components put together to become eligible for passing in the subject.

The emphasis on the questions is broadly based on the following criteria:

| | |
|------|--|
| 50 % | To test the objectiveness of the concept |
| 30 % | To test the analytical skill of the concept |
| 20 % | To test the application skill of the concept |

12.8 External Evaluation for Practical Course:

Out of 50 marks 35 marks are allocated for experiment (procedure for conducting the experiment carries 15 marks & readings, calculation and result-20) and 10 marks for viva-voce examination with 5 marks for the record.

Each Semester External Lab Examination shall be evaluated by an Internal Examiner along with an External Examiner appointed by the Principal.

A candidate shall be declared to have passed in individual lab course if he secures a minimum of 50% aggregate marks (38 marks) (Internal & Semester External Examination marks put together), subject to a minimum of 50% marks (25 marks) in the semester external examination.

12.9 External Evaluation for Project Work Phase-II:

Every candidate shall be required to submit thesis or dissertation after taking up a topic approved by the college/ concerned department.

- **Registration of Project work:** A candidate is permitted to register for the project work phase-I after satisfying the attendance requirement of all the courses (theory and practical courses of I & II Semesters)
- An Internal Departmental Committee (I.D.C) consisting of HOD, Supervisor/ Guide and one Internal senior expert shall monitor the progress of the project work.
- The work on the project work phase-II shall be initiated in the IV semester. The candidate can submit Project work phase-II dissertation with the approval of I.D.C.

after 18 weeks from the date of registration at the earliest from the date of registration for the project work phase-I.

- The student must submit status report at least in three different phases during the project work period. These reports must be approved by the I.D.C before submission of the Project Report.
- Three copies of the Dissertation certified in the prescribed form by the supervisor and HOD shall be submitted to the HOD.
- The semester end examination for project work phase-I done during III Semester, shall be conducted by a Project Review Committee (PRC). The evaluation of project work shall be conducted at the end of the IV Semester.
- The PRC comprises of an External examiner appointed by the Principal, Head of the Department and Project Guide/Supervisor to adjudicate the dissertation. The PRC shall jointly evaluate candidates work and award grades as given below

| S.No | Description | Grade | Grade Point (GP) Assigned |
|------|------------------|---------|---------------------------|
| 1 | Very Good | Grade A | 10 |
| 2 | Good | Grade B | 9 |
| 3 | Satisfactory | Grade C | 8 |
| 4 | Not satisfactory | Grade D | 0 |

If the report of the viva-voce is not satisfactory (Grade D) the candidate will retake the viva-voce examination after three months. If he fails to get a satisfactory report at the second viva-voce examination he will not be eligible for the award of the degree unless the candidate is permitted to revise and resubmit the dissertation.

12.13 Re-Registration For Improvement of Internal Evaluation Marks:

Following are the conditions to avail the benefit of improvement of internal evaluation marks.

- ❖ The candidate should have completed the course work and obtained examinations results for I, II & III semesters.
- ❖ He should have passed all the subjects for which the internal evaluation marks secured are more than 50%.
- ❖ Out of the subjects the candidate has failed in the examination due to Internal evaluation marks secured being less than 50%, the candidate shall be given one more chance for each Theory subject and for a maximum of three Theory subjects for Improvement of Internal evaluation marks.
- ❖ The candidate has to re-register for the subjects so chosen and fulfill all the academic requirements.
- ❖ For each subject, the candidate has to pay a fee equivalent to one third of the semester tuition fee and the amount is to be remitted in the form of D.D. in favour of 'The Principal, Audisankara College of Engineering & Technology' payable at Gudur along with the requisition through the Controller of the Examinations of the college.

In the event of availing the Improvement of Internal evaluation marks, the internal evaluation marks as well as the End Examinations marks secured in the previous attempt(s) for the reregistered subjects stand cancelled

13.0 GRADING PROCEDURE

Grades will be awarded to indicate the performance of students in each theory subject, laboratory / practicals, Term Paper, Project Work Phase-I and Project Work Phase-II. Based on the percentage of marks obtained (Continuous Internal Evaluation plus Semester End Examination both taken together) as specified in item 11 above a

corresponding letter grade shall be given.

13.1 As a measure of the performance of a student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed:

| Grade Point System | | |
|---------------------|---------------|--------------|
| Percentage of Marks | Letter Grade | Grade Points |
| 91-100 | S (Superior) | 10 |
| 81-90 | A (Excellent) | 9 |
| 70-80 | B (Very Good) | 8 |
| 60-69 | C (Good) | 7 |
| 55-59 | D (Average) | 6 |
| 50-54 | E (Pass) | 5 |
| <50 | F (FAIL) | 0 |
| Ab (Absent) | Ab | 0 |

13.2 A student who has obtained an 'F' grade in any subject shall be deemed to have 'failed' and is required to reappear as a 'supplementary student' in the semester end examination, as and when offered. In such cases, internal marks in those subjects will remain the same as those obtained earlier

13.3 To a student who has not appeared for an examination in any subject, 'Ab' grade will be allocated in that subject, and he is deemed to have 'failed'. A student will be required to reappear as a 'supplementary student' in the semester end examination, as and when offered next. In this case also, the internal marks in those subjects will remain the same as those obtained earlier.

13.4 A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

13.5 A student earns grade point (GP) in each subject/ course, on the basis of the letter grade secured in that subject/ course. The corresponding 'credit points' (CP) are computed by multiplying the grade point with credits for that particular subject/ course.
Credit points (CP) = grade point (GP) x credits For a course

13.6 A student passes the subject/ course only when $GP \geq 5$ ('E' grade or above)

13.7

- A student obtaining Grade F shall be considered failed and will be required to reappear for that subject when the next supplementary examination offered.
- For Mandatory courses "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

13.8 **Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):**

v. The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the

courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \sum (C_i \times G_i) / \sum C_i$$

where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

vi. The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \sum (C_i \times S_i) / \sum C_i$$

where “ S_i ” is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

ix. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
 x. While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D, E and F.

Example: Computation of SGPA and CGPA

Illustration for SGPA

| Course | Credit | Grade | Grade Point | Grade Point x Credit |
|------------|--------|-------|-------------|----------------------|
| Course-I | 3 | S | 10 | 3x10=30 |
| Course-II | 3 | A | 9 | 3x9=27 |
| Course-III | 3 | B | 8 | 3x8=24 |
| Course-IV | 3 | D | 6 | 3x6=18 |
| Course-V | 2 | B | 8 | 2x8=16 |
| Course-VI | 1 | C | 7 | 1x7=7 |
| | 15 | | | 122 |

Thus, $SGPA = \frac{122}{15} = 8.13$

Illustration for CGPA

| Credit | Credit | Credit | Credit |
|------------|------------|------------|------------|
| Credit: 22 | Credit: 22 | Credit: 18 | Credit: 16 |
| SGPA: 8.13 | SGPA: 6.9 | SGPA: 7.3 | SGPA: 6.8 |

Thus, $CGPA = \frac{(22 \times 8.13) + (22 \times 6.9) + (18 \times 7.3) + (16 \times 6.8)}{78}$
 = 7.318

14.1 After a student has satisfied the requirement prescribed for the completion of the program and is eligible for the award of M.Tech. Degree he/she shall be placed in one of the following four classes:

| | | | | |
|-------------------------------------|-----------------------------|-----------------------------|-----------------------------|--------------|
| CGPA \geq 7.5 | CGPA \geq 6.5 and $<$ 7.5 | CGPA \geq 5.5 and $<$ 6.5 | CGPA \geq 5.0 and $<$ 5.5 | CGPA $<$ 5.0 |
| First Class with Distinction | First Class | Second Class | Pass Class | Fail |

A student with final CGPA is $<$ 5.00 will not be eligible for the Award of the Degree.

15.0 CONDUCT OF SEMESTER END EXAMINATIONS AND EVALUATION
15.1 Semester end examination shall be conducted by the Controller of Examinations (COE) by inviting Question Papers from the External Examiners

Question papers may be moderated for the coverage of syllabus, pattern of questions by a Semester End Examination Committee chaired by CoE and senior subject expert before the commencement of semester end examinations. Internal Examiner shall prepare a detailed scheme of valuation.

15.3 The answer papers of semester end examination should be evaluated by the first examiner immediately after the completion of exam and the award sheet should be submitted to CoE in a sealed cover before the same papers are kept for second evaluation by external examiner.

15.4 In case of difference is more than 15% of marks, the answer paper shall be re-evaluated by a third examiner appointed by the Examination Committee and the marks awarded by third examiner is compared with first and second evaluation marks and higher marks of minimum difference pair will be considered as final marks.

15.5 CoE shall invite required number of external examiners to evaluate all the end-semester answer scripts on a prescribed date(s). Practical laboratory exams are conducted involving external examiners.

15.6 Examinations Control Committee shall consolidate the marks awarded by both the examiners and award grades.

16.0 SUPPLEMENTARY EXAMINATIONS

Apart from the regular End Examinations the institute may also schedule and conduct supplementary examinations for all subjects for the benefit of students with backlogs. Such students writing supplementary examinations as supplementary candidates may have to write more than one examination per day.

17.0 ATTENDANCE REQUIREMENTS AND DETENTION POLICY
17.1 A candidate shall put in a minimum required attendance of 75 % in that semester. Otherwise, s/he shall be declared detained and has to repeat semester.
17.2 For cases of medical issues, deficiency of attendance in a semester to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of Head of the department if their attendance is between 75% and 65% in a semester, subjected to submission of medical certificates, medical

case file and other needful documents to the concerned departments. The condonation is permitted maximum of two times during the entire course of study.

17.3 A prescribed fee shall be payable towards condonation of shortage of attendance.

17.4 A student shall not be promoted to the next semester unless he/she satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that semester when offered next. If any candidate fulfills the attendance requirement in the present semester, he/she shall not be eligible for readmission into the same class.

17.5 Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

18.0 PROMOTION POLICIES

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no. 17.

18.1 A student shall register and put up minimum attendance in all 132 credits and earn all the 132 credits. Marks obtained in all 132 credits shall be considered for the calculation of aggregate percentage of marks obtained.

19.0 GRADUATION REQUIREMENTS

The following academic requirements shall be met for the award of the M.Tech degree.

19.1 Student shall register and acquire minimum attendance in all courses and secure 78 credits for regular program and 78 credits for lateral entry program.

19.2 A student of a regular program, who fails to earn 78 credits within eight consecutive academic years from the year of his/her admission with a minimum CGPA of 5.0, shall forfeit his/her degree and his/her admission stands cancelled.

20.0 REVALUATION

A student, who seeks the re-evaluation of the answer script, is directed to apply for the photocopy of his/her semester examination answer paper(s) in the theory course(s), within 5 working days from the declaration of results in the prescribed format with prescribed fee to the Controller of Examinations through the Head of the department. On receiving the photocopy, the student can consult with a competent member of faculty and seek the opinion for revaluation. Based on the recommendations, the student can register for the revaluation with prescribed fee. The Controller of Examinations shall arrange for the revaluation and declare the results. Revaluation is not permitted to the courses other than theory courses.

21.0 TEMPORARY BREAK OF STUDY FROM THE PROGRAMME

21.1 A candidate is normally not permitted to break the study. However, if a candidate intends to temporarily discontinue the program in the middle for valid reasons (such as accident or hospitalization due to prolonged ill health) and to rejoin the program after the break from the commencement of the respective semester as and when it is offered, s/he shall apply to the Principal in advance. Such application shall be submitted before the commencement of the semester in question and forwarded through the Head of the department stating the reasons for such withdrawal together with supporting documents

and endorsement of his / her parent / guardian.

- 21.2 The institute shall examine such an application and if it finds the case to be genuine, it may permit the student to rejoin. Such permission is accorded only to those who do not have any outstanding dues like tuition fee etc.
- 21.3 The total period for completion of the program reckoned from the commencement of the semester to which the candidate was first admitted shall not exceed the maximum period specified in clause 19.0. The maximum period includes the break period.

22.0 TERMINATION FROM THE PROGRAMME

The admission of a student to the program may be terminated and the student is asked to leave the institute in the following circumstances:

- 22.1 The student fails to satisfy the requirements of the program within the maximum period stipulated for that program.
- 22.2 A student shall not be permitted to study any semester more than three times during the entire Program of study.
- 22.3 The student fails to satisfy the norms of discipline specified by the institute from time to time.

23.0 WITH-HOLDING OF RESULTS

If the candidate has any dues not paid to the institute or if any case of indiscipline or malpractice is pending against him/her, the result of the candidate shall be withheld and he/she will not be allowed / promoted into the next higher semester. The issue of awarding degree is liable to be withheld in such cases.

24.0 STUDENT TRANSFERS

Student transfers shall be as per the guidelines issued by the Government of Andhra Pradesh from time to time.

25.0 GRADUATION DAY

The institute shall have its own annual Graduation Day for the award of Degrees to students completing the prescribed academic requirements in each case, in consultation with the University and by following the provisions in the Statute. The college shall institute prizes and medals to meritorious students and award them annually at the Graduation Day. This will greatly encourage the students to strive for excellence in their academic work.

26.0 CONDUCT AND DISCIPLINE

- Students shall conduct themselves within and outside the premises of the Institute in a decent and dignified manner befitting the students of Audisankara College of Engineering & Technology.
- As per the order of the Honorable Supreme Court of India, ragging in any form is considered a criminal offence and is totally banned. Any form of ragging will be severely dealt with the following acts of omission and / or commission shall constitute gross violation of the code of conduct and are liable to invoke disciplinary measures with regard to ragging.
- (vii) Lack of courtesy and decorum; indecent behavior anywhere within or outside the college campus.

(viii) Damage of college property or distribution of alcoholic drinks or any kind of narcotics to fellow students / citizens.

- Possession, consumption or distribution of alcoholic drinks or any kind of narcotics or hallucinogenic drugs.
- Mutilation or unauthorized possession of library books.
- Noisy and unruly behavior, disturbing studies of fellow students.
- Hacking in computer systems (such as entering into other person's areas without prior permission, manipulation and / or damage of computer hardware and software or any other cyber crime etc.
- Usage of camera /cell phones in the campus.
- Plagiarism of any nature.
- Any other act of gross indiscipline as decided by the college academic council from time to time.
- Commensurate with the gravity of offense, the punishment may be reprimand, fine, expulsion from the institute/ hostel, debarring from examination, disallowing the use of certain facilities of the Institute, rustication for a specified period or even outright expulsion from the Institute, or even handing over the case to appropriate law enforcement authorities or the judiciary, as required by the circumstances.
- For an offence committed in (i) a hostel (ii) a department or in a class room and (iii) elsewhere, the chief Warden, the concern Head of the Department and the Principal respectively, shall have the authority to reprimand or impose fine.
- Cases of adoption of unfair means and/ or any malpractice in an examination shall be reported to the principal for taking appropriate corrective action.
- All cases of serious offence, possibly requiring punishment other than reprimand, shall be reported to the Academic council of the college.
- The Institute Level Standing Disciplinary Action Committee constituted by the academic council shall be the authority to investigate the details of the offence, and recommend disciplinary action based on the nature and extent of the offence committed.
- The Principal shall deal with any problem, which is not covered under these rules and regulations.

27.0 GRIEVANCE REDRESSAL COMMITTEE

Grievance and Redressal Committee constituted by the Principal shall deal with all grievances pertaining to the academic / administrative / disciplinary matters. All the students must abide by the code and conduct rules prescribed by the college from time to time.

28.0 TRANSITORY REGULATIONS

Required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption will be given to those candidates who have already passed such courses in the earlier semester(s) s/he was originally admitted into and substitute subjects are offered in place of them as decided by the Board of Studies. However, the decision of the Board of Studies will be final.

28.1 Three Year MCA Regular course:

A student who is following Jawaharlal Nehru Technological University Anantapur (JNTUA) curriculum and detained due to shortage of attendance at the end of the first semester shall join the autonomous batch of first semester. Such students shall study all the courses prescribed for the batch in which the student joins and considered on par with regular candidates of Autonomous stream and will be governed by the autonomous regulations.

A student who is following JNTUA curriculum, detained due to lack of credits or shortage of attendance at the end of the second semester or at the subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses will be offered in place of them as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be sum of the credits up to previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate seeks readmission and subsequent semesters under the autonomous stream. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.2 Transfer candidates (from non-autonomous college affiliated to JNTUA):

A student who is following JNTUA curriculum, transferred from other college to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute courses are offered in their place as decided by the Board of Studies. The student has to clear all his backlog courses up to previous semester by appearing for the supplementary examinations conducted by JNTUA for the award of degree. The total number of credits to be secured for the award of the degree will be the sum of the credits upto previous semester under JNTUA regulations and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

28.3 Transfer candidates (from an autonomous college affiliated to JNTUA):

A student who has secured the required credits upto previous semesters as per the regulations of other autonomous institutions shall also be permitted to be transferred to this institute. A student who is transferred from the other autonomous colleges to this institute in third semester or subsequent semesters shall join with the autonomous batch in the appropriate semester. Such candidates shall be required to pass in all the courses in the program prescribed by the Board of Studies concerned for that batch of students from that semester onwards to be eligible for the award of degree. However, exemption will be given in the courses of the semester(s) of the batch which he had passed earlier and substitute subjects are offered in their place as decided by the Board of Studies. The total number of credits to be secured for the award of the degree will be the sum of the

credits upto previous semester as per the regulations of the college from which he is transferred and the credits prescribed for the semester in which a candidate joined after transfer and subsequent semesters under the autonomous status. The class will be awarded based on the academic performance of a student in the autonomous pattern.

29.0 REVISION OF REGULATIONS AND CURRICULUM

The Institute from time to time may revise, amend or change the regulations, scheme of examinations and syllabi if found necessary and on approval by the Academic Council and the Governing Body shall come into force and shall be binding on the students, faculty, staff, all authorities of the Institute and others concerned.

MALPRACTICES RULES

DISCIPLINARY ACTION FOR / IMPROPER CONDUCT IN EXAMINATIONS

| S.No | Nature of Malpractices/Improper conduct | Punishment |
|--------|--|---|
| | <i>If the candidate:</i> | |
| 1. (a) | Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination) | Expulsion from the examination hall and cancellation of the performance in that subject only. |
| (b) | Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter. | Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him. |
| 2. | Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the subject of the examination (theory or practical) in which the candidate is appearing. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that Semester/year. The Hall Ticket of the candidate is to be cancelled and sent to the Controller of Examinations. |
| 3. | Impersonates any other candidate in connection with the examination. | The candidate who has impersonated shall be expelled from examination hall. The candidate is also debarred and forfeits the seat. The performance of the original candidate, who has been impersonated, shall be cancelled in all the subjects of the examination (including practicals and project work) already appeared and shall not be allowed to appear for examinations of the remaining subjects of that |

| | | |
|----|--|--|
| | | semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against him. |
| 4. | Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 5. | Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks. | Cancellation of the performance in that subject. |
| 6. | Refuses to obey the orders of the Controller of Examinations /Additional Controller of Examinations/any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the COE or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the COE or any person on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the Institute premises or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination. | In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. The candidates also are debarred and forfeit their seats. In case of outsiders, they will be handed over to the police and a police case is registered against them. |
| 7. | Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall. | Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that |

| | | |
|-----|---|--|
| | | semester/year. The candidate is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. |
| 8. | Possess any lethal weapon or firearm in the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. |
| 9. | If student of the college, who is not a candidate for the particular examination or any person not connected with the college indulges in any malpractice or improper conduct mentioned in clause 6 to 8. | Student of the colleges expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. Person(s) who do not belong to the College will be handed over to police and, a police case will be registered against them. |
| 10. | Comes in a drunken condition to the examination hall. | Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. |
| 11. | Copying detected on the basis of internal evidence, such as, during valuation or during special scrutiny. | Cancellation of the performance in that subject and all other subjects the candidate has appeared including practical examinations and project work of that semester/year examinations. |
| 12. | If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment. | |

ITEM-VIII

Review and Approval of the course titles and content of all UG programmes under R18 regulations.

Resolution No : 8/ACC-7

ACC has unanimously approved course titles and content of all UG programmes under R18 regulations with the following suggestions.

Members reviewed the course titles and content of all UG programmes under R18 regulations as follows:

B.Tech I Semester – Civil Engineering

| S.No | Course Code | Course Title | Hours per Week | | | Marks | | | Credits | |
|------|-------------|---|----------------|-----------|----------|----------|------------|------------|------------|-----------|
| | | | L | T | P | IM | EM | T | | |
| 1 | 18MD101 | Induction Training – 3 weeks (Mandatory Course) | - | - | - | - | - | - | - | |
| 2 | 18BS101 | Mathematics-I | 3 | 1 | 0 | 30 | 70 | 100 | 4 | |
| 3 | 18BS102 | Applied Physics | 3 | 0 | 0 | 30 | 70 | 100 | 3 | |

ITEM-IX

Review and Approval of the course titles and content of all PG (M.Tech) programmes under R18 regulations.

Resolution No : 9/ACC-7

ACC has unanimously approved course titles and content of all PG (M.Tech) programmes under R18 regulations with the following suggestions.

Members reviewed the course titles and content of all PG (M.Tech) programmes under R18 regulations as follows:

M.Tech I Semester – Structural Engineering

| S.No | Course Code | Course Title | Hours per Week | | | Marks | | | Credits |
|--------------------|-------------|--|----------------|----------|----------|------------|------------|------------|-----------|
| | | | L | T | P | IM | EM | T | |
| 1 | 18ST101 | Advanced Structural Analysis | 4 | 0 | 0 | 40 | 60 | 100 | 4 |
| 2 | 18ST102 | Theory of Elasticity and Plasticity | 4 | 0 | 0 | 40 | 60 | 100 | 4 |
| Elective-I | | | | | | | | | |
| 3 | 18ST103 | Theory and Analysis of Plates | 4 | 0 | 0 | 40 | 60 | 100 | 4 |
| | 18ST104 | Maintenance and Rehabilitation of Structures | | | | | | | |
| | 18ST105 | Stability of Structures | | | | | | | |
| Elective-II | | | | | | | | | |
| 4 | 18ST106 | Soil Structure Interaction | 4 | 0 | 0 | 40 | 60 | 100 | 4 |
| | 18ST107 | Bridge Engineering | | | | | | | |
| | 18ST108 | Prefabricated Structures | | | | | | | |
| 5 | 18AS101 | Research Methodology and IPR | 2 | 0 | 0 | 40 | 60 | 100 | 2 |

ITEM-X

Review and Approval of the course titles and content of MBA programme under R18 regulations.

Resolution No : 10/ACC-7

ACC has unanimously approved course titles and content of MBA programme under R18 regulations with the following suggestions.

Members reviewed the course titles and content of all MBA programme under R18 regulations as follows:

MBA I Semester

| S.No | Course Code | Course Title | Hours per Week | | | Marks | | | Credits | |
|------|-------------|--|----------------|-----------|----------|----------|------------|------------|------------|-----------|
| | | | L | T | P | IM | EM | T | | |
| 1 | 18MB101 | Management and organizational Behavior | 4 | 0 | 0 | 40 | 60 | 100 | 4 | |

ITEM-XII

Review and Approval of the syllabus for III B.Tech (CE, EEE, ME, ECE & CSE) 5th and 6th Semesters for R16 Regulations.

Resolution No :12/ACC-7

ACC has unanimously approved the syllabus for III B.Tech (CE, EEE, ME, ECE & CSE) 5th and 6th Semesters for R16 Regulations with the following suggestions.

Members reviewed the syllabus for III B.Tech (CE, EEE, ME, ECE & CSE) 5th and 6th Semesters for R16 Regulations as follows:

ANNEXURE-I

ITEM-XIII

Review and Approval of the syllabus for IV B.Tech (CE, EEE, ME, ECE & CSE) 7th and 8th Semesters for R16 Regulations.

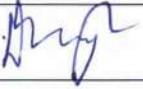

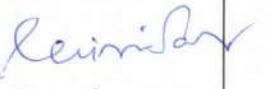

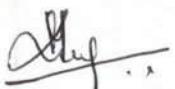

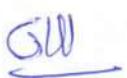

Resolution No : 13/ACC-7

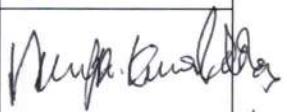

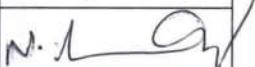

ACC has unanimously approved the syllabus for IV B.Tech (CE, EEE, ME, ECE & CSE) 7th and 8th Semesters for R16 Regulations with the following suggestions.

Members reviewed the syllabus for IV B.Tech (CE, EEE, ME, ECE & CSE) 7th and 8th Semesters for R16 Regulations as follows:

ANNEXURE-II

MEMBERS PRESENT:

| S.No. | Name | Designation | Affiliation | Signature |
|-------|-----------------------------|----------------------|--|---|
| 1 | Prof.K.Dhanunjaya | Chairman | Principal, ASCET, Gudur |  |
| 2 | Prof.T.Venu Madhav | Member | Head, Dept, of Civil Engg., ASCET, Gudur |  |
| 3 | Prof.P.V.V.S.Srinivas | Member | Head, Dept, of CSE Engg., ASCET, Gudur |  |
| 4 | Prof.J.Suresh | Member | Head, Dept, of EEE Engg., ASCET, Gudur |  |
| 5 | Prof.K.Dhanumjaya | Member | Head, Dept, of ECE Engg., ASCET, Gudur |  |
| 6 | Prof. M.Vamsi krishna | Member | Head, Dept, of ME Engg., ASCET, Gudur |  |
| 7 | Prof.M.Rajaiah | Member | Head, Dept, of H&S Engg., ASCET, Gudur |  |
| 8 | Prof.G.Suresh Kumar | Member | CoE & Professor in ME ASCET, Gudur |  |
| 9 | Prof. A.M.Mahaboob Basha | Member | Head, Dept, of MBA Engg., ASCET, Gudur |  |
| 10 | Prof.V.Chandra Sekhar | Member | Head, Dept, of MCA Engg., ASCET, Gudur |  |
| 11 | Dr.A.Immanuel | Member | Associate Prof, Dept. of EEE, ASCET, Gudur |  |
| 12 | Dr.Ch.Madhuramma | Member | Associate Prof, Dept. of CE, ASCET, Gudur |  |
| 13 | Mr.J.Amarendra | Member | Associate Prof, Dept. of ECE, ASCET, Gudur |  |
| 14 | Prof.M.Vijaya Kumar | Ex-Officio Member | Director, Academics and Planning, JNTUA Ananthapuram |  |
| 15 | Prof.S.V.Satyanarayana | Ex-Officio Member | Director of Evaluation JNTUA Ananthapuram |  |
| 16 | Prof V.Sankar | Member | Professor in EEE Department, JNTUA, Ananthapuramu |  |

| | | | | |
|----|---------------------------|---------------------|--|---|
| 17 | Dr.S.V.Ramana | Member | Principal, Vasavi Engineering College |  |
| 18 | Dr.K.Ramji | Member | Professor, Department of ME, AUCE, Vizag |  |
| 19 | Sri B.V.Subba Rao | Member | General Manager, SDSC SHAAR Sriharikota |  |
| 20 | Sri. P.Vijaya Kumar Reddy | Member | Advocate, Nellore |  |
| 21 | Sri.N.Sudarshan Reddy | Member | Senior GM, Nelcast, Gudur |  |
| 22 | Mr. K. Srinivasa rao | Member | Executive Engineer, Nodal, S.I division Nellore Andhra Pradesh |  |
| 23 | Dr.Madhava Rao Kodali | Member Secretary | Professor, EEE, ASCET, Gudur |  |
