## 8. Organogram

### Nature and Extent of involvement of Faculty and students in academic affairs/improvements

- Faculty and students are involved in different activities which lead to improvement in academics.
- Head of the Department's regularly monitor the class schedule of the day. Academic Monitoring Committee, composed of faculty members and students, is also in place to monitor the academic deliverables in line with compliance to the curriculum and regular and timely delivery of the syllabus.
- Department wise Board of studies is composed where faculty members are the part of the board along with an Industry expert to review the curriculum and make it contemporary. Industry experts share their thoughts on a chosen theme and at times suggestions made by the industry experts with faculty members during their discussions lead to insights on academic improvements

- Every faculty member has been involved with mentoring a maximum of 20 students to provide specialized guidance to the students in matters of academics, career, personality development, social obligation etc.

#### **Mechanism/Norms and Procedure for democratic/good Governance**

- The Institute believes in collective efforts, symbiotic relationships and participate management.
- The management, faculty members, administrative staff and the students are all integral parts of the Institution. They all participate effectively in the running of the Institute.
- A belief of mutual benefit is embedded in everyone at the Institute irrespective of his or her hierarchical position. Cordial relationships are maintained. Transparency in operations and conduct is accorded top priority which has helped in creating an environment of fraternity in the Institute

#### **Student Feedback on Institutional Governance/ Faculty performance**

- An online feedback system has been prepared to document the feelings of the Students about the College and more specifically about the Academic and Extracurricular activities.
- These online feedbacks are taken usually twice in a semester. The reports of the analysis of the feedback are sent to the concerned committee to take appropriate action.
- The concerned in consultation with the Principal then take appropriate measures to address the weaknesses. Besides this, the suggestion boxes for the students have been fixed at every department. The college makes periodic review of the suggestions/complaints so received.

#### **Grievance Redressal mechanism for Faculty, staff and students**

- In order to ensure transparency by the Institution, imparting education, in admissions, with Paramount Objective of preventing unfair practices, and to provide a mechanism to students for redressal of their grievances. Any grieved member can lodge the complaint on the institute's website through grievance mechanism.
- Grievances Redressal Committee is formed in order to keep the healthy working atmosphere and to uphold the dignity of the institute by ensuring strife free atmosphere in the institute to promote cordial student to student relationship, student to teacher relationship relations etc. This cell also helps students and parents to record their complaints and solve their problems related to academics, resources, and personal grievances.

### Establishment of Anti Ragging Committee

- Anti-ragging Committee is formulated in the institution to curb the menace of ragging. The committee focuses on ragging issues of the students and resolves the issues by suitable awareness drives, students counseling, monitoring, and control.
- The committee will work in accordance with All India Council for Technical Education notified Regulation No. 37- 3/Legal/AICTE/2009, dt.01.07.2009. Affected students can contact the committee members mentioned hereunder,
